~~~~~ **Dedication** ~~~~~

Mercer Methodist Church

In 2014 the Mercer Methodist Church began raising funds and donating to the town of Mercer to help those in need of heating assistance. With heating assistance funds hard to come by and the weather being what it has been the last two seasons this help has been invaluable. They have graciously donated nearly \$2000 for the selectmen to distribute to families in need of heating assistance. This helps defray costs usually absorbed by the general assistance fund as well as allows for a less intrusive and time consuming process allowing selectmen to quickly & efficiently help those in need. On behalf of the selectmen and those who have been helped by their efforts we would like to dedicate the 2014 Town report to the Mercer Methodist Church. Thank you very much for your efforts this past year. Your dedication to the people of our community has not gone unnoticed.

2014 Selectman's Report

I find myself writing a Selectman's report once again. We have just finished compiling the tentative budget for 2015 and are waiting to meet with the budget committee. The budget discussion always brings ideas and topics to the forefront of my cluttered mind.

May I start by thanking Yolanda Violette and Fran Varney. Their efforts for the Town of Mercer often go unrecognized. They go above and beyond almost every day for Mercer. Chris, Bob, and I are extremely appreciative for your efforts. They make our jobs easier and are terrific assets for our town. I want to ask every tax payer in Town to pass on a "Thank You" to these ladies, when in the office, to help show that we recognize their value.

After 12 years of the same pay scale, the selectmen have requested an increase. I hope our efforts in keeping taxes as flat as possible and our efforts to run the Town for the benefit of all tax payers has met your expectations. We stress fiscal responsibility and common sense when making decisions concerning our Town. We are committed to Mercer and its residents and thank you for the opportunity to represent your families and ours.

The summer road budget is remaining fairly flat with a slight shuffling of where funds come from. This topic alone garners more debate than any other by our constituents. My plan has been, and will continue to be, to rebuild and improve all our roads. Crack sealing is adding to the longevity of our paved roads. In addition, the crack sealing binds pavement together so when it is repaved the cracks will be less likely to work their way up through the new paving. We continue to rebuild dirt roads with fabric and gravel. We have addressed problem areas on Elm Street and Bacon Road/Ladd Road in 2014. Ladd Road has presented us with some new issues this fall and winter. We will have to address these issues in 2015. Roads that deteriorate to the point of being impassable have and will continue to receive precedence. Therefore, as of print time, making Ladd Road passable will move to the top of my project list. (This list seems to expand exponentially like my "honey do" list.) My paving plan for 2015 is to shim and repave Beech Hill Road from the salt shed to Route #2. This section is becoming increasingly rough and I would like to address it before it gets any worse. (I also try to spread road improvements out over the Town.) Last year at this time, I hoped to pave the last section of our Old Route #2/ Main Street ongoing project. I would now like to push that paving back one year to address the more pressing area of Beech Hill. I hope the residents of Sandy River Road can withstand one more year of dirt between themselves and the Shaw Library. There is finally finished pavement between Sandy River Road and Route #2 headed toward Farmington and paving the triangle should

improve stopping performance in inclement weather as well as remedy the constant washboard condition of this intersection.

2014 saw the establishment of a Food Cupboard at the Community Center started with donations from the Mercer Methodist Church. Residents may see Yolanda during business hours should they require a helping hand. I would like to thank those residents who have donated to this terrific cause, and encourage others to offer some generosity as well. A huge donation of food was made by a union working at SAPPI in Skowhegan. Ray Charles, the one that can see, (Humor from last town meeting) has presented Mercer with donations of food for years through his work for this union and thankfully he resides here in town. After this sizable donation, the selectmen are in hopes to house a more elaborate food cupboard. Norridgewock's cupboard is scaling back. We are seeking an extra thousand dollars in the charity article to help make this happen. By having a few dollars to spend, we could supplement items that are popular among the families in need. These popular items may not be continually donated to the food cupboard by our generous residents. For those gardeners out there, please donate any surplus from your gardens. I know I have wasted produce in the past, let us all put this waste to good use and help the families who take advantage of our cupboard in their times of need.

Finally as you peruse the Mercer Town Report you will see the final article requesting \$25,000.00 to surface and ditch the Decker Road. This article was submitted by a resident just before our meeting to hammer out our budget. And though I sympathize with his sentiment, and his attempt to follow the proper channels to implement his request, I cannot endorse the article with my support. In fairness, the Decker Road has not seen a significant amount of expenditures for improvement. However, the reason for this lack of funding is due to the fact that it holds up well during mud season and receives limited traffic when compared to other town roads. This road has been on my radar, for some expenditure, for a couple years. Every year some other dilemma presents itself and draws our spending dollars elsewhere. Decker Road is again on my radar this year but we will see how far our budget dollars will take us in 2015.

Thanks for listening. Hope to see you at the meeting in March.

Respectfully Submitted
Vernon E Worthen II
First Selectmen

Assessors Report

Every year new construction and additions to existing structures are visited and assessed, as well as properties which are reported or known to have had structural damage or structure removal. In addition, approximately one quarter of the 471 residential and seasonal properties in Mercer are visited each year. The purpose of the visits for previously assessed properties is to verify the accuracy of property records against the physical facts. For the most part this did not involve entering the buildings, as the primary focus is on the size and number of structures, and secondarily the existence of utilities such as electricity, wells and septic systems. Some properties were found to have additional structures or notable improvement; some structures were found to have degraded; a few had deteriorated seriously. This verification process should continue annually, with approximately 25% of Mercer properties being visited each year, to satisfy the State Law requiring all properties to be visited every 4 years.

The State valuation for Mercer in 2014 was \$58,450,000 and the projected state valuation for 2015 is \$59,300,000. Our town real estate 2014 valuation was \$57,771,383 which is very close to the state valuation and close enough that our 2014 reimbursements from the state are the maximum allowed.

All property is assessed based on its condition on April 1st. If you purchase or sell property after April 1st, the owner of the property on April 1st will receive the tax bill per state law.

All non-exempt personal property located on your land (including travel trailers not registered/excised) on April 1st are taxed to the land owner unless claimed by another Mercer resident. Everyone is required by state law to list their personal property with the assessors by April 1st of each year. Personal Property forms are available at the town office. If you have paid excise tax on a piece of equipment please mark your list accordingly so it isn't taxed twice.

The conversion input into the Trio Assessing module was completed in 2014.

Board of Assessors

From the Municipal Valuation Return for Mercer Maine for 2014:

Valuations:	Local taxable Real Estate Valuation	\$ 56,331,438	
	Local taxable Personal Property Valuation	\$ 311,528	
	One half of Homestead Valuation	\$ 1,128,417	
	Total Valuation base		\$ 57,771,383

Tax to be Collected			\$ 863,238.80

2014 Tax Rate: \$15.24 per \$1000 of valuation

ASSESSORS' NOTIFICATION TO TAXPAYERS

Information on all properties in Mercer are available for inspection or review by taxpayers and the public during regular office hours. Requests related to property taxes, tax policy or law, tax exemptions, etc. are processed as quickly as possible.

In order for the Town of Mercer to maintain fair and equitable assessments and accurate information for the allocation of municipal property taxes, taxpayers are asked to provide up to date information about their property. Please contact the Town of Mercer Assessors (587-2911) located at 1015 Beech Hill Road, Suite A, Mercer, Maine 04957.

1 - if you have constructed, altered or removed any buildings since April 1, 2014 and on or before April 1, 2015

2 - if you have started a new business, to obtain forms for filing a list of your business furniture and equipment

3 - if you have taxable* personal property items (*individual item with value greater than \$1000)

In accordance with Title 36, Section 706 of the Maine Revised Statutes, failure to furnish lists of taxable property or any of the aforementioned changes on or before the dates requested will bar one's right of an abatement of taxes.

**** See Notification to Assessors Form on Page 14**

4 - if you think your property should have an exemption, and you are not already receiving it

All notifications and applications for exemption must be made no later than April 1, 2015, for the 2015 tax year. In the case of property owned by individuals, there are possible exemptions for certain veterans, blind persons, and homestead owners as described below.

Veterans who will be 62 years of age on or before April 1, 2015, or any widow or minor children of veterans who would have been 62 years of age as of April 1, 2015 **may be** eligible for a tax exemption. **Veterans** receiving a 100% disability pension from the Veterans Administration **may be** eligible for an exemption. Applications for veteran's exemption must be made with this office on or before April 1, 2015. If you are currently receiving a veteran's exemption, you do not need to reapply.

Any person who is declared blind by a Licensed Doctor should notify Assessors on or before April 1, 2015 to see if he or she is eligible for a tax exemption. If you are already receiving such an exemption, you do not need to reapply.

Homestead

A person who owns his or her own home and has owned a home in Maine for at least 12 months prior to April 1, 2015 can apply for a Homestead Exemption. The application needs to be received by April 1, 2015. One can only receive this exemption on the home that is his or her residence. If you are currently receiving this exemption, and you still reside in the same home, you do not need to reapply.

NOTIFICATION OF ASSESSORS FORM

Date of Notification: _____ Received: _____

Property Owner's Name and Address:

Real Estate () or Personal Property ()

Method of Notification: _____
(Examples: mailed in, dropped off at office in person, gave to assessor)

Previous Owner (if recently purchased): _____

Location of Property: _____

Map _____ Lot _____ Parcel # _____
(May ask Clerk if you are not sure or look on your tax bill)

INDEPENDENT AUDITORS REPORT

Board of Selectmen
Town of Mercer
Mercer, Maine

Report on the Financial Statements

I have audited the accompanying financial statements of the governmental activities and the major fund of Town of Mercer, Maine, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Town of Mercer, Maine as of December 31, 2014 and the respective changes in financial position, and where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters**Required Supplementary Information**

Management has omitted Management's Discussion & Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. My opinion of the basic financial statements is not affected by this missing information.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge I obtain during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated January 15, 2015, on my consideration of Town of Mercer, Maine's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

TOWN OF MERCER, MAINE
 Reconciliation of the Statement of Revenues,
 Expenditures, and Changes in Fund Balances
 of Governmental Funds
 to the Statement of Activities
 For the Fiscal Year Ended December 31, 2014

Net change in fund balances - total governmental funds	\$	18,501
Amounts reported for governmental activities in the Statement of Activities are different because:		

Governmental funds report capital outlays as expenditures. While governmental activities report depreciation expense to allocate those expenditures over the life of the assets:

Capital asset purchases capitalized		69,170
Depreciation expense		(24,556)

Change in Net position of Governmental Activities	\$	<u>63,115</u>
---	----	---------------

TOWN OF MERCER, MAINE
Notes to Combined Financial Statements
December 31, 2014

1. Summary of Significant Accounting Policies

The Town of Mercer was incorporated in 1804. The Town operates under the Board of Selectmen/Town Meeting form of government.

The Town's financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). Governments are also required to follow the pronouncements of the Financial Accounting Standards Board (FASB) issued through November, 1989 (when applicable) that do not conflict with or contradict GASB pronouncements. Although the Town has the option to apply FASB pronouncements issued after that date to its business-type activities and enterprise funds, the Town has chosen not to do so. The more significant accounting policies established in GAAP and used by the Town are discussed below.

A. Reporting Entity

In evaluating how to define the reporting entity, for financial reporting purposes, management has considered all potential component units. The decision to include a potential component unit is made by applying the criteria set forth in GAAP which defines the reporting entity as the primary government and those component units for which the primary government is financially accountable. Financial accountability is defined as appointment of a voting majority of the component unit's board, and either a) the ability to impose will by the primary government, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government. Application of this criterion and determination of type of presentation involves considering whether the activity benefits the government and/or its citizens, or whether the activity is conducted within the geographic boundaries of the government and is generally available to its citizens. Based upon the application of these criteria, there were no potential component units required to be included in this report.

B. Government-wide Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) report information on all of the non fiduciary activities of the Town. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

1. Summary of Significant Accounting Policies, continued

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. The Town has elected not to allocate indirect costs among the programs, functions and segments. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and fiduciary funds, even though the latter is excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Licenses, permits, fees, excise taxes and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Interest income and charges for services are recorded as revenues when earned, since they are measurable and available.

Those revenues susceptible to accrual are property taxes, interest, and charges for services. Other receipts and taxes become measurable and available when cash is received by the Town and are recognized as revenue at that time.

1. Summary of Significant Accounting Policies, continued

Entitlements and shared revenues are recorded at the time of receipt or earlier if the susceptible to accrual criteria are met. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met.

When both restricted and unrestricted resources are available for use, it is the Town's policy to use restricted resources first, then unrestricted resources as needed.

The Town reports the following major governmental fund:

The General Fund is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

Additionally, the Town reports the following fund types:

Fiduciary Funds

Fiduciary funds are used to account for assets held by the Town in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds.

Private-purpose trust funds are used to report trust arrangements under which principal and income benefit individuals, private organizations, or other governments.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in the government-wide financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. The government has elected not to follow subsequent private-sector guidance.

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

D. Capital Assets

Capital assets, which include property, plant, and equipment are reported in the governmental activities column in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical costs or estimated historical cost if purchased or constructed. Donated capital assets are

1. Summary of Significant Accounting Policies, continued

recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Property, plant, and equipment of the primary government is depreciated using the straight line method over the following estimated useful lives ranging from 3 to 50 years.

E. Fund Equity

Restricted fund balance indicates that a portion of the fund balance is restricted in use by donors. Committed fund balance indicates that a portion of the fund balance is constrained for a specific future use, and is indicated by the title of each purpose listed in the balance sheet. Committed fund balances are voted on at Town Meetings. Assigned fund balances indicate amounts which either are intended to be carried forward by law or contractual agreement, or which the Board of Selectmen has voted to carry forward.

F. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Budgetary Accounting

A budget is formally adopted for the General Fund, only, through the passage of a Town warrant, and is prepared on a basis consistent with generally accepted accounting principles.

In the General Fund, the level of control (level at which expenditures may not exceed budget and applied revenues) is the accounts within each department. Unexpended appropriations and unexpended revenues are lapsed at the close of the year. Once adopted, the budget can only be amended by the townspeople at a special Town meeting.

3. Deposits

At year end, the Town's carrying amount of deposits was \$352,385. The bank balances for all funds totaled \$410,263. Custodial credit risk is the risk that, in the event of a bank failure the Town's deposits might not be recovered. As of December 31, 2014, all of the Town's deposits were insured or collateralized.

4. Property Tax

Property taxes for the year were committed on July 31, 2014, on the assessed value listed as of April 1, 2014, for all taxable real and personal property located in the Town. Payment of taxes was due at the

date of commitment with interest at 7.00% on all tax bills unpaid as of October 2, 2014.

Assessed values are periodically established by the Town's Assessor at 100% of assumed market value. The assessed value for the list of April 1, 2014 upon which the levy for the year ended December 31, 2014, was based, was \$56,642,966. This assessed value was 100% of the estimated market value.

Tax liens are placed on real property within twelve months following the tax commitment date if taxes are delinquent. The Town has the authority to foreclose on property eighteen months after the filing of the lien if tax liens and associated costs remain unpaid.

Property taxes levied during the year were recorded as receivables at the time the levy was made. The receivables collected during the year and in the first sixty days following the end of the fiscal year have been recorded as revenues. The remaining receivables have been recorded as deferred revenues.

5. Operating Property

Operating and nonoperating property are recorded at cost or, in the case of contributed property, at the fair market value at the date of acquisition. The Town of Mercer has elected to not retroactively record infrastructure (roads) constructed prior to 1979. Depreciation is computed on the straight line method based upon the estimated useful lives of the assets as follows:

Governmental Activities:	Balance January 1 2014	Increases	Decreases	Balance December 31 2014
Assets not being depreciated				
Land	\$ 850	\$	\$	850
Assets being depreciated				
Buildings	412,988			412,988
Infrastructure	252,002	69,170		321,172
	<u>665,840</u>	<u>69,170</u>	<u>0</u>	<u>735,010</u>
Less accumulated depreciation				
Buildings	199,159	11,500		210,659
Infrastructure	56,811	13,056		69,867
	<u>255,970</u>	<u>24,556</u>	<u>0</u>	<u>280,526</u>
Capital Assets, net	\$ <u>409,870</u>	\$ <u>44,614</u>	\$ <u>0</u>	\$ <u>454,484</u>
Depreciation Expense:				
General government	\$ 11,500			
Public works		13,056		
	\$	<u>24,556</u>		

6. Assigned Revenues

The Town has set aside certain balances for accumulation until expenditure in future years. These accounts were as follows at December 31, 2014:

State revenue sharing	\$ 13,635
Local road assistance	<u>12,302</u>
Total	\$ <u>25,937</u>

7. Unassigned General Fund Equity

The unassigned General Fund fund equity reflected a change for the current year as follows:

Balance - January 1, 2014		\$ 266,499
Increase (Decrease):		
Actual over(under) budgeted revenues	27,998	
Actual under budgeted expenditures	21,114	
Budgeted utilization of fund equity	(57,610)	
Net Increase (Decrease)		(8,498)
Balance - December 31, 2014		\$ <u>258,001</u>

8. Committed for Capital Purchases

Historically, the townspeople vote to raise certain balances in anticipation of expenditure for capital items in future years. This is usually in lieu of additional appropriations in any particular account.

Road maintenance	\$ 9,010
Village cemetery	10,036
Helen & William True	(208)
Ehtel Springer Trust	4,303
Mercer community center	20,295
Emergency response	1,032
Town forest	23,609
Charles Pressey prize	990

Totals \$ 69,067

9. Restricted endowments

Some donated balances are limited in use and are reserved for the purpose for which they were created, these funds include \$10,754 in nonexpendable endowments.

Village cemetery	980
Pressey prize fund	1,970
True prize fund	1,756
Ethel Springer trust	6,048

Totals \$ 10,754

10. Risk Management

The Town of Mercer is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town maintains insurance coverage for part of its risk management. Expenditures and claims are recognized when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. In determining claims, events that might create claims, but for which none have been reported, are considered. The Town's management estimates that the amount of actual or potential claims against the Town as of December 31, 2014, will not materially affect the financial condition of the Town.

TOWN OF MERCER, MAINE
Statement of Revenues, Expenditures, and Changes in Fund Balances

Registrar of Voters

We held three Elections in 2014, they were as follows:

Municipal Election in March

School District Budget Meeting (held at High School)

School Budget Referendum in June

State Gubernatorial / Referendum Election in November.

We currently have **499** Registered Voters here in Mercer.

We had 43 New Voters Register in 2014

We had 26 Voters removed due to Moving or Deceased

The number of voters at each Election were:

Municipal Election : **42** voters

Town Meeting : **42** voters

District Budget Meeting : **6** voters

School Budget Referendum : **69** voters

Primary Election : **63** voters

State Gubernatorial / Referendum : **366** voters

Upcoming Elections for 2015 *** Mark Your Calendars***

March 6, 2015 - Municipal Election

May ?, 2015 - School Budget Meeting

June 9, 2015 – State Referendum /School Budget

November 3, 2015 – State Referendum

THANK YOU to all the **Ballot Clerks** and **Counters** throughout the Year for the many hours of work!

Container preparation

- Remove all plastic bags.
- Remove any non-acceptable items.
- Corrugated cardboard should be broken down so it fits inside the container without jamming, so the cart will empty completely.

- All containers (jars, bottles, cartons, etc.) must be rinsed and free of all contaminants.
- Remove and discard all caps, tops, rings, metal bottlenecks, waps, and unacceptable items.
- Flatten containers whenever possible.

Planning Board Report

Planning Board meetings are held at the Town Office in the meeting room every Third Tuesday of each month at 7 p.m.

This year the planning board had 2 applications submitted to the board. One was a new permit for an old permit that had expired. It was approved by the board. The other is a permit for a driveway, and that permit has not been successfully completed by the applicant for final approval yet. However the applicant has not returned to do so. So in final conclusion as of yet the permit is in limbo until final approval of the board.

Last of all the board had one inquiry from the board of a possible new construction of a camp. However the applicant has not decided to apply yet for that particular permit.

In conclusion we have a little bit of business here on the board this year. As always I would like to thank all the members of the planning board they are all vital members of our community and of the board. I would like to give also special thanks to Harriett Varney and Norman Redlevske. Harriett or better known as Fran is a vital role in the town period. She always helps when needed and does other duties that she doesn't have to be responsible for, and she never complains about doing it. Norman our code enforcement officer is another vital role for the board. He is the eyes and ears for board on matters when there is any discussion on a topic for board. So thank you both!

Respectfully Submitted,

Jason Juskevitch
Planning Board.

2014 REPORT OF THE NORRIDGEWOCK FIRE DEPARTMENT

The Norridgewock Fire Department would like to thank the community, business owners, mutual aid towns, Mercer C.E.R.T, Norridgewock Highway staff, along with our Firefighter families for their continuous support throughout the past year. The Department currently holds a roster of 20 volunteer Firefighters, as four of them currently reside in the Town of Mercer, a town we contract fire service for. If you're interested in becoming volunteer, please contact the Town Office for more information.

As you are aware, the Town voted to purchase the former Gardner residence on Upper Main Street for the land usage of building a new Fire Station. There were a few different locations seriously looked at but agreed that Upper Main Street would be more ideal, still in town and away from the traffic we currently have trying to get in and out of the current location on Main Street.

Alternate heating in Maine is second nature to most residents as well as being very efficient and economical in our homes today. Before installing that wood or pellet stove, be sure you have a professional install it and if not the case, be sure you abide by the manufacture's recommended installation instructions. For your family's safety's sake, you should have a professional inspect your installation. And as always, when cleaning out such stove is to dispose of the ashes appropriately. Refer to your homeowner's insurance company and / or the Maine Fire Marshall's Office for assistance on [wood stove installation](#).

*Carbon Monoxide (CO) is always on our minds with the Maine inclement weather and lose of electrical power. So please heed to CO as you cannot see it, taste it, smell it, as it's called the **SILENT KILLER**. Please, if you lose your electrical power and run a generator, operate your vehicle, motorcycle, snowmobile, etc. PLEASE operate it **OUTSIDE** and not inside your home, garage, or cellar. Be sure the generator is properly installed by professionals. Also do your family a favor and purchase a carbon monoxide detector for that peace of mind. It could save your life! If you think you may have CO in your home, some of the symptoms may be nausea, fatigue, dizziness, or headaches. EVACUTE immediately and call **911**. Go to Maine.gov for more info.*

Sadly, the state recorded 25 fire deaths in 2014. According to State Fire Marshal Joseph Thomas, "Faulty smoke detectors may have played a role in all but two of the 25 deaths". Be sure you have working smoke detectors along with fresh batteries. Let's bring these numbers down to zero with education utilizing our Fire Safety House in our schools to start!

As always, we want to stress the importance of dialing 911 instead of any other non-emergency number. Our Department is not staffed at the station on a regular basis so it is imperative for everyone to call the emergency phone line at 911 to expeditiously start the emergency services in the quickest means possible. Our non-emergency number is 634-2208 and you can also call the non-emergency Somerset Communications Center phone number at 474-6386. If you wish to speak to a Firefighter during normal business hours, please call the Town Office at 634-2252.

2015 Mercer EMA Annual Town Report

The Emergency Management Department had to work through some maintenance and upkeep funding challenges early on, but overall, had a very busy and productive year. The Community Emergency Response Team (CERT) certified 6 new members, and, in addition to their regular monthly training meetings, provided support for two community events, participated in a multi-county emergency management exercise and attended the Maine State Preparedness Conference. The Search and Rescue Team added five new members, and, in addition to their regular CERT activities, logged over 600 hours of specialized training, provided support for three community events and participated in three state searches. The Communications Team participated in a state-wide emergency management communications exercise and a nation-wide ham radio field day, and held several specialized training classes, in addition to their regular CERT activities.

Respectfully submitted

Richard Smith
Deputy EMA Director

Somerset County Sheriff Report

There were 137 Sheriff Department responses to Mercer in 2104.

Shaw Library

Annual Report 2014

It's been another busy and exciting year. 1161 visits were made to the Library and nearly 800 books were checked out. We were pleased that our patrons made use of our updated computers and printer on 137 occasions.

This year, the Trustees accepted, with regret, the resignation of respected Trustee, Becky Redlevske. Andrew Bourassa has been appointed as her replacement. Thanks for stepping in, Andrew.

The Trustees, also, voted to change the bylaws to include the position of Alternate Trustee. Christine Bourassa is currently serving in that position.

Last winter we raised nearly \$700 for the Town of Mercer's Heating Assistance Fund, at the annual Indoor Flea Market.

Shaw Library continues to help with and to sponsor programs for children. This year, we once again collaborated with the After School Program, which is a free program, sponsored by the Mercer Community Club. Students who attend the program, visit the Library weekly, share reading time and participate in arts and crafts.

Families are invited to frequent the Library often. We have quite extensive children and adolescent collections.

Students are encouraged to visit the library and make use of our updated computers and printers.

We continue to rely on and appreciate the many (like new) books that are donated to the Library.

Thanks to all who continue to support our town's Shaw Library.

Respectively submitted,

Cherie Sadler, Librarian
Mary Harris, Assistant
Shaw Library Trustees

Mercer Community Club

January 2, 2014

2014 was another busy year for our small group of volunteers as we continued to provide events that are well sought by our community members. Support from our community allows us to provide the programs in place at the Community Center including the After School Program and Young at Heart. We greatly encourage the addition of new programs at the Community Center and continue to offer physical activities such as Yoga, Martial Arts, as well as access to our fitness room and gym for walking.

During 2014, we purchased additional tables and a table cart for use in the gym. However, due to our donation during 2013 to the Town for the pellet boiler, and the timing of projects, we will use any additional 2014 funds for our 2015 projects list. Our projects for 2015 include redoing the gym floor as well as making improvements to the gym entrance, including a fresh coat of paint and display case being constructed by the Skowhegan Vocational Center students.

Our grant committee continues to work vigorously in applying for grants for much larger projects as well as additional program grants. We recently received a grant from the Maine Community Foundation to fund performances during 2015 including: The Milkweed Puppet Theater, Zemya, The Gawlers, and Martin Swinger. They are currently working on a grant seeking funds to make some much needed repairs to the parking lot of the Community Center.

We greatly appreciate those town members who volunteer their time to keep the building in shape. The Community Center is increasingly being booked by outside parties for personal or group events and we need to keep the structure in shape to encourage use by outside parties.

We welcome you to visit our website at mercercclutterfly.com. This site is updated for upcoming events at the Community Center as they occur. As always, we appreciate any feedback or ideas for events. And if you feel you have some free time on your hands, join us as a member!

MERCER MEETING HOUSE ASSOCIATION

(Mercer Old Home Days Assoc.)

Mercer, Maine

January, 2015

2014 was a memorable, albeit busy, year for our small committee. Most notably, the committee elected to change the organization name to the Mercer Meeting House Association and has successfully received 501 c(3) Non-Profit status through the United States Government. With this status, the organization can now seek the financial aid of grants and private funding to offset the ever-increasing cost of maintaining such a historic building.

The events for 2014 included a Spiritual Message Circle in late October. The guest mediums were Rev. Beth Carter and Mike Carter of the Lakewood Spiritualist Camp. This event was a huge success and plans are in the works to host another Message Circle in the spring.

Old Home Days weekend brought lots of activity to Mercer. The Walk-A-Thon benefiting the Mercer Fuel Assistance, organized by the Methodist Church, was popular and profitable. A great crowd turned out for the Ham Dinner and Program at the Community Center and Meeting House respectively. Thank you to all who continue to make this event a success.

Our goals for 2015 include construction and installation of a new privy on the grounds of the Meeting House. As many of you are aware, the building lacks modern conveniences (heat and plumbing). We hope this new addition will be more accommodating and convenient for our guests. This along with regular maintenance and repair to our aging building will, indeed, keep us busy throughout the summer and fall months.

Mark your calendars for these upcoming events:

Maine Maple Sunday Breakfast: Sunday, March 22, 2015

Spiritual Message Circle: Spring 2015

Old Home Day: Sunday, August 2, 2015

For more information about our events or the Mercer Meeting House, we welcome you to explore our new website at www.meetinghouse.webs.com . You can also find us on Facebook at www.facebook.com/mercermeetinghouse .

As always, we appreciate your continued dedication and support of the Mercer Meeting House and the history of Mercer. If you should have any questions or concerns, please feel free to contact Amy at 207-587-2225 or Linda at 207-634-2332.

Respectfully Submitted by Amy Tibbetts, V.P. Mercer Meeting House Association

Town of Mercer

North Pond Association Annual Report to Mercer Residents

Thank you for your 2014 support of our Courtesy Boat Inspections and I ask that you continue your support for 2015. Last year we increased our inspections from 1160 in 2011 to 1319 for 2014, an increase of roughly 20% in those few short years. The North Pond Association paid Courtesy Boat Inspectors \$9000 for this coverage. The Mercer share was \$1000.00. We were also helped by Rome @ \$1000.00 and Smithfield @ \$1000.00 and received a 1 time grant of \$2000.00. I think you will agree that we made your \$1000 go a long way. The balance of hours covered was through the generosity of people who value our lake being free of invasives and through volunteer hours. The lake is a beautiful local resource, whatever the season, and we're working hard to keep it that way. Please support our request for 2015 for \$1000.00.

Some additional projects the NPA did on and around the lake include the following. The NPA further collaborated with Colby College on their National Science Foundation work. Many residents around the lake participated including a number of Rome lake residents. The NPA maintained a kiosk at the boat launch for lake information and through co-op with the Conservation Corps, improved buffers, rip rap stone, and plants at the ramp to further reduce runoff. The NPA also paid for the porta potty again. We participated in a loon count, 16 adults counted. We supplied place mats to the Rome and Smithfield Granges for their dinners. We added a second returnables bin, the "Keep us Afloat" boat, at Sweet Dreams, proceeds to go toward funding our courtesy boat inspections. I am especially proud of the dingy/flower pot the NPA put at the Fairview Grange in the Smithfield Village, beautifying that area. We further improved the Fairview Grange property with examples of best management practices along the shoreline. Our efforts paid off, as we received the first "LakeSmart" award granted to a property on North Pond. The Grange property is open to all and has signage describing the types of practices installed. Please check it out next Summer. We are midway through our lake survey. We have the lake divided into 28 sections and have monitored each section for plants, identified plants found and will be putting the info into book format for next season. The effort is to arm lakefront property owners with a tool to identify the plants in their area. We printed and distributed 2 newsletters, the cost nearly covered by advertising from local businesses.

I hope you will agree that the NPA remains focused on our mission of maintaining and improving the health of our lake and is additionally, extremely active in our lake region community. Our goal of course, is to keep North and Little Ponds healthy for the continued enjoyment of all. Please continue to support our efforts.

Sincerely, Rick Watson, President of the North Pond Association.

STATE OF MAINE

January 2015

Dear Friends and Neighbors:

Thank you for the opportunity to again serve the people of Mercer in the House of Representatives. It is truly a privilege to represent District 108, as Maine and its citizens continue to face many challenges. I look forward to working with fellow legislators, along with the Governor, to find solutions to the long-term problems that we face. My goal is to ensure we have an effective and efficient government that handles your taxpayer money responsibly. There are issues that must be addressed this legislative session, like lowering the cost of energy for businesses and homeowners, providing tax relief, and continuing to create an economic climate where jobs are created and businesses thrive.

Upon returning to the 127th Maine Legislature, I have been selected to sit on the Joint Select Committee on Insurance and Financial Services. My experience in this field will prove effective as this committee handles some very complex issues important to this district and the state as a whole. This committee oversees issues that pertain to the Bureau of Insurance, banking and financial institutions, Bureau of Consumer Protection, Office of Securities, State Employee Health Commission, workers compensation and real estate practices to name a few.

I encourage you to visit the Legislature's website, <http://www.maine.gov/legis>, for up-to-date information, status of bills, public hearing dates and roll call votes on legislation. If you would like to sign up to receive my e-newsletter, please send an e-mail to jjpicc@gmail.com. If you have any concerns about *your* State Government do not hesitate to share them with me.

Sincerely,

A handwritten signature in cursive script that reads 'John Picchiotti'.

John Picchiotti
State Representative

District 108 Fairfield, Mercer and Smithfield

Printed on recycled paper

Annual Report to the Town of Mercer
A Message from Senator Rod Whittlemore

Dear Friends and Neighbors:

I am honored to represent you in the Maine Senate for a third term. I am so grateful for the trust you have placed in me and I will work tirelessly for the betterment of you and your neighbors, as well as for the great state of Maine.

I am proud of the results of the 126th Legislature, which worked hard to increase the availability of mental health services, pay off the debt our state owed our hospitals, and improve Maine's economic climate in a constrained fiscal environment. I am especially pleased that we were able to preserve many valuable gains made during the 125th Legislature. As a member of the Insurance and Financial Services Committee, ensuring that Mainers have access to affordable reliable healthcare has continued to be a priority for me.

My fellow legislators and I have a great deal to accomplish in the 127th legislature. The most important item on our to-do list is clear: our state needs more jobs at all levels of the pay scale, so it is our responsibility and my solemn promise to work to expand economic opportunity for all Mainers. Growing our economy and increasing the number of jobs available to Mainers will be a challenge, but I am confident that our ongoing commitment to addressing our outrageous energy costs and the needs of our aging population will continue to move our state in the right direction.

Private sector gains remain the best vehicle to spur robust economic growth, and I am focused on ensuring that traditional industries and small businesses have their needs met so Maine will continue to create jobs. In the same sense, innovation is critical to providing a path forward for Maine's economy – and my colleagues and I are excited to encourage the ideas of entrepreneurial minds young and old.

Another essential component of a robust economy is efficiency in allocating the state government's scarce resources, and I was elected because I will be an attentive steward of your tax dollars. Unfortunately, Maine's current distribution of benefits from our welfare system is not helping the folks who need these benefits most. In order to help our truly needy survive and get back on their feet, I will work with my fellow legislators to protect our state's vulnerable citizens while fighting fraud, waste, and abuse in Maine's welfare system. In short, we must reform welfare.

You have my humble and sincere thanks for allowing me to represent you in Augusta. I stand ready to work with you over the next two years, so please feel free to contact me at 207-287-1505 and rodwhittlemore@gmail.com if you would like assistance in navigating our state's bureaucracy. I will be gratified to help you.

Best,

Rod Whittlemore
State Senator

Town of Mercer
1015 Beech Hill Rd,
Ste A, Mercer, ME 04957

Dear Friends,

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate in January of 2013. First off, I want to make sure you know how to reach my offices, as I welcome your thoughts, questions, or concerns. You can call our toll-free, in-state line at 1-800-432-1599. In addition, our local numbers are as follows: Augusta (207) 622-8292, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, and Washington D.C. (202) 224-5344. You can also provide your input on our website at www.king.senate.gov.

Maine is a large state; I know that traveling to our offices can present logistical and financial challenges, which is why our team implemented an outreach program, **Your Government Your Neighborhood**. My staff has been traveling to communities throughout the state for two years now, hosting office hours for local residents. Since we began, we have made over 400 trips and plan to increase that throughout 2015.

If we haven't yet been to your town office, community library, or school, or hosted an information table at a local non-profit, please let us know!

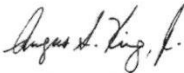

My work in Washington this year has been broad reaching, and I am committed to continue this work in a transparent and nonpartisan manner.

My projects have included:

- Overseeing national security and defense issues from ISIS to cybersecurity
- Continuing efforts to simplify student loans and make higher education more affordable
- Easing the regulatory burdens facing Maine businesses, farms, and schools
- Co-sponsoring budget initiatives for a smarter economic direction
- Supporting vital infrastructure and highway investments
- Tackling climate change mitigation and its long-term impacts
- Ensuring financial transparency in politics through campaign finance reform
- Promoting the growth of rural internet access
- Co-sponsoring legislation to help working families get paid leave to care for loved ones

I am tremendously grateful for the opportunity to serve you and will keep you informed of my activities in Maine and Washington.

Sincerely,

ANGUS S. KING, JR.

2015 Annual Warrant

To David Welch, Constable
of the Town of Mercer
in the County of Somerset,

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the Town of Mercer qualified to vote in town affairs to meet at the **Mercer Community Center** in said Town of Mercer on **Friday, the 6th day of March, 2015**, at 10 o'clock a.m., to elect all Town Officials. The polls will open immediately after the election of a Moderator and will remain open until 8 o'clock p.m. The business meeting will be held in the gym of the **Mercer Community Center on Saturday the 7th day of March, 2015** beginning at 6 o'clock pm, immediately following a 5 o'clock Public Dinner, that will be served in the Solarium.

ARTICLE 1: To elect a Moderator to preside at said meeting.

ARTICLE 2: To elect a Town Clerk, three Selectmen, Assessors, and Overseers of the Poor, a Tax Collector, and a Treasurer all for one year terms, a Trustee of Shaw Library for a five year term, two persons to serve on the Planning Board each for a three year term and a MSAD #54 Director for a 3 year term.

ARTICLE 3: To see if the Town will vote to increase the property tax levy limit of \$231,295 established for Mercer by state law, in the event that the municipal budget approved under the following articles results in a tax commitment greater than that limit.

Budget Committee recommends.

ARTICLE 4: To see what sum of money the Town will vote to raise and appropriate for the salaries of Town Officers.

1 st Selectman	4,500.00
2 nd Selectman	4,000.00
3 rd Selectman	4,000.00
Town Clerk	6,424.00
Treasurer	10,858.00
Tax Collector	12,119.00
Selectmen's Sec	2,040.00
Dep. Clerk/Collector	3,641.00
Registrar	500.00
Office Assistant/Deputy	500.00
	\$48,582.00

Budget Committee recommends.

ARTICLE 5: To see what sum the Town will vote to raise and appropriate to cover the Town's share of F.I.C.A. and Medicare costs of town salaries.

Budget Committee recommends .0765% from Taxes (Est. \$4,800) as required by law based on the total Town Payroll.

ARTICLE 6: To see what sum of money the Town will vote to appropriate for selectpersons' emergency contingencies. Any and all use of the funds will be fully and explicitly reported to the 2015 annual report.

Budget Committee recommends \$10,000 from Surplus.

ARTICLE 7: To see what sum of money the Town will vote to appropriate for annual dues of the Maine Municipal Association.

Budget Committee recommends \$1,557 from Surplus.

ARTICLE 8: To see what sum of money the Town will vote to raise and appropriate for Liability and Property Insurance.

Budget Committee recommends \$9,824 from Taxes.

ARTICLE 9: To see what sum of money the Town will vote to raise and appropriate for Liability Insurance for Public Officials plus Bonds.

Budget Committee recommends \$1,974 from Taxes.

ARTICLE 10: To see what sum of money the Town will vote to raise and appropriate for worker's comp insurance & unemployment for town employees.

Budget Committee recommends \$1,400 from Taxes.

ARTICLE 11: To see what sum of money the Town will vote to raise and appropriate for Town Office, Shaw Library, Municipal Center, and Town Expense.

Budget Committee recommends \$31,000 from Taxes plus any revenues or donations generated by the center. Any remaining balance will be placed in municipal center capital reserve fund.

ARTICLE 12: To see what sum of money the Town will vote to raise and appropriate for annual maintenance of the TRIO accounting & assessing program.

Budget Committee recommends \$4,800 from Taxes.

ARTICLE 13: To see if the Town will vote to appropriate \$10,000 from surplus to purchase the Bureau of Motor Vehicle module from TRIO.

Budget Committee does not recommend.

ARTICLE 14: To see what sum of money the Town will vote to raise and appropriate for Assessing.

Budget Committee recommends \$7000 from Taxes.

ARTICLE 15: To see what sum of money the Town will vote to raise and appropriate for Solid Waste Disposal, Recycling and Blue Bag purchase.

Budget Committee recommends \$24,000 from Taxes plus all Transfer Station revenue.

ARTICLE 16: To see what sum of money the Town will vote to appropriate for the Planning Board.
