

# Online Boat Registration Quick Guide

**Search Transactions-** The search transactions section provides municipalities with the ability to view transaction details for registrations that have been renewed online. Users can search by confirmation number, last name listed on the registration and by date range.

The transaction detail section displays:

- Registrant Name and Address
- Vehicle Information (Registration, Serial Number, Make/Model)
- Contact Information (Email Address and/or Phone Number)
- A Breakdown of the Renewal Fees
