For Calendar Year Ending  
12/31/2024

# Dedication

The 2024 Annual Report is dedicated to **Gaylene Marie Williams**.

The Town of Mercer is honored to recognize the many contributions to our community made by the selfless volunteerism of Gaylene Marie Williams.

Let us give you a little of Gaylene's biography from incarnation as the first child born of that New Year in Franklin County, to giving birth herself 25 years later to the first child born in that year, again in Franklin County! Now that's uncanny!! Spells 'Special' to us, and let's recount the ways.

Gaylene returned to Maine in 2020, after raising her family of 3 boys and 2 girls in Connecticut, to reconnect with her home State and to support not only her immediate family, but her local community.

As a supporting resident of Mercer, the town that she loves, Gaylene attended and still attends most Selectmen's Meetings to stay informed on local issues, offers support, and often raises concerns and requests about current issues. She assists the Town Clerk with election day duties serving as a ballot clerk. In addition, Gaylene has been an advocate for the Mercer Shaw Library, and the Historical Society. As a trustee and secretary respectively, she dedicates many volunteer hours in support of these worthy causes. There are numerable events that Gaylene supports with time and action such as managing the annual Trunk or Treat event (now in its 4<sup>th</sup> year!), Bingo, and soon to come Easter Egg Hunt, but most of all and most importantly, Gaylene created and oversees the Mercer Food Pantry.

The Mercer Food Pantry may be the most important and selfless services that Gaylene has created. Not only does she stock the Pantry, often with proceeds from her own contributions, but she also makes sure that no person in need goes hungry even if it means that she personally delivers goods to the doorstep. When the Town of Rome opened a monthly community food trailer, Gaylene would be there getting produce and goods for those who couldn't travel. She is a fierce advocate for those in need, and she acts quietly and humbly behind the scenes.

Gaylene likes to stay busy. In her spare time, she enjoys gardening, playing pickle ball with the gals, and spending time with her trusted companion – Tito, her beloved dog.

Gaylene is very well deserving of this honor and the Town of Mercer is honored to have Gaylene as a member of this community. Thank you, Gaylene, for all that you do!

**The New England Town Meeting is probably the purest form of democracy in existence today. Please help to preserve it by attending Town Meeting. Read this report carefully and bring it with you.**

# What To Bring...

## WHEN REGISTERING A VEHICLE

**Re-registration:** Old registration, proof of current insurance and current mileage.

**New registration (Dealer Sale):** Title application form (or title in your name if already received), MSRP, bill of sale, proof of current insurance and current mileage.

**New registration (Private Sale):** Bill of sale, proof of current insurance, title (release of lien form if applicable), and current mileage.

**New registration with transfer of plates:** Bill of sale, proof of current insurance, current mileage, title (lien holder name and address or release of lien form if applicable), and the registration of the vehicle the plates are being transferred from.

**New to town (1<sup>st</sup> time registering):** Old registration, proof of residency in Mercer (driver's license, piece of mail, etc. that shows current address), proof of current insurance, and current mileage.

**New to town, coming from out of state (1<sup>st</sup> time registering):** Old registration, proof of residency in Mercer (driver's license, piece of mail, etc. that shows current address), proof of current insurance, title (lien holder name and address or release of lien form if applicable), and current mileage.

**\*Title is NOT required for vehicles 1999 and older (vehicles year 2000 and newer still require a title).\***

## WHEN REGISTERING SNOWMOBILE, ATV, OR BOAT

**Re-registration:** Old registration.

**New registration:** Bill of sale, ME assigned number (if previously registered), serial number. For boats, will also need the length of the boat and the horsepower of the motor.

**\*New stickers available: ATV – May; Snowmobile – October; Boat – December\***

## WHEN REGISTERING A DOG

**New registration:** Current rabies certificate, spay/neuter certificate (if applicable), date of birth, breed, color/markings, and veterinarian.

**Re-registration:** Current rabies certificate (if previous has expired) and spay/neuter certificate (if done after 1<sup>st</sup> registration).

**\*Everyone must register their dog(s) over the age of 6 months or have been with the family for 10 days. Dog licenses expire on December 31<sup>st</sup> every year. A \$25 late fee will be added after January 31<sup>st</sup>. This fee is per dog and is non-negotiable (per Maine State Law).\***

## WHEN REQUESTING VITALS (MARRIAGE, BIRTH, DEATH)

**Marriage:** Proof of identity, copy of divorce (if applicable).

**Birth:** Proof of identity or lineage.

**Death:** Proof of lineage.

**\*All re-registrations may be done online (initial registrations must be done in the office).\***

## *Logo Design*

### ***How did this all come about?***

Mercer has experienced significant change and growth since 2020. During this period of change and growth, the desire to create a logo was discussed on occasion; however, it never materialized as a top priority due to the enormous number of projects that took precedence. In the Spring of 2024, it was once again brought up for discussion at a Selectboard meeting, and with a favorable vote from the board, a committee was formed consisting of Nancy Gove, Mary Burr, Carole Storro, and Dari Hurley.

### ***The concept behind the creation***

We gathered research, viewed history books about the Town, and shared stories and memories to define Mercer's unique assets. This was combined with a plan to keep the design simple and not try to tell too big a story. These conversations led to meaningful elements of the design. There were three elements to the design:

**Element 1 - Water:** "Mercer Bog," a State-owned Wildlife Management Area. In years past, the village of Mercer centered around a portion of the Mercer Bog known as the Bog Stream, where a former grist mill no longer exists. However, the dam still controls the water levels of this 371-acre wetland, which is considered a significant Wildlife Habitat under the Natural Resource Protection Act. As Mary Burr put it, "kind of a big deal for Mercer." It is enjoyed by many in the community and those from away throughout the seasons. The beautiful Sandy River flows through the east side of town, and North Pond provides a valuable resource offering boating, fishing, canoeing & kayak opportunities.

**Element 2 - Mercer Meeting House:** The Mercer Meeting House was built by and dedicated to the townspeople of Mercer in 1829. It was the hub of all social events, from town meetings and graduations to church services and weddings. As the years passed, events would be held elsewhere thanks to modern conveniences, but the building remained a symbolic timepiece representing Mercer's history. Thanks to the dedicated volunteers of the Mercer Meeting House Association and ongoing community support, the

Mercer Meeting House stands proudly over the town as it has for nearly 200 years.

**Element 3 - Apple Blossom:** Apples were a significant industry in Mercer from 1890 through 1920. Several orchards existed throughout the town, most significantly on Hampshire Hill, Corson Road and West Sandy River Road where Francis Fenton’s “Sandy River Apples” still operates today. Migrant workers were brought into the community to pick apples into Mercer-made wooden barrels that were eventually shipped to England.

***Creation of the Logo***

With these elements in mind, Mary and Carole, who have degrees and backgrounds in Fine Arts and design, were actively developing their sketches while our wheels were turning and tossing out ideas, colors, design choices, etc. In a collective moment of reflection, there was a unanimous “That’s the one.”

If you would like to purchase apparel with the Town’s Logo, please contact the Town Office.

Heidi Dubois

### **Director of RSU/MSAD #54 - Elected**

Sarah Bunker-Geyer - Term Expires '27

Lauren Fox - Term Expires at Annual Town Meeting 2025

### **Fire Warden - Appointed**

Todd Pineo

# **Mercer Selectboard 2024 Town Report**

To the citizens of the Town of Mercer,

This year has been a very busy year on the road maintenance front. As you know our community, along with several other municipalities throughout the state endured several hefty storms in December 2022, May 2023, and December 2023, leaving us with downed trees, downed wires, lengthy power outages, flooded roads, washed-out culverts, etc. This significant damage to the town's infrastructure left roads impassable and in some cases leaving residents stranded and unable to leave their neighborhoods until emergency repairs were made. Some may remember the images on local and national news of a delivery company's employee loading packages in a boat to transverse Pattee Brook on Pond Road to deliver packages for the residents on the other side of the washed-out road. The damage from these storms accounted for over \$1 million dollars in needed repairs. The result was many hours of coordinating efforts with the Federal Emergency Management Agency, Maine Emergency Management Agency, and local contractors evaluating the damage, developing plans to make the repairs, and ordering the materials to complete the projects. These plans consisted of not only making the needed repairs but also included efforts to upgrade and mitigate the affected areas thereby avoiding damage in the future. Efforts included much-needed ditching of roads, roadside brush mulching, replacing damaged and/or undersized culverts, building up the roads with adequate surface material, and creating proper drainage, to name a few. Working with FEMA and MEMA, the town secured approximately 1.3 million dollars in disaster relief funds with little matching funds from the town. This work will continue into mid-2025. We hope to continue to build on the foundation created by these disasters thus making our roads better for all residents. With the focus on storm damage repairs and culvert upgrades this year, we hope to turn our attention to other areas that need attention in mid to late 2025. A big Thank You goes out to the contractors who stepped forward to get all the necessary work completed on time and within budget restraints. Thank You to Warren Brothers, Meader Construction, and Ray's Excavation for your time, materials, expertise, and quick response in fixing our damaged infrastructure.

We secured a new plowing contract for the next three years with the same contractor which should take us into FY 2027. We also were able to secure enough sand early this summer at a very reasonable price to fill the sand shed for the coming winter season thus keeping our budget line well below expectations.

A group also met with Maine Department of Environmental Protection representatives to evaluate the old Mercer dump site to determine its future and our obligations as a municipality in maintaining the site moving forward. There were no red flags or concerns noted by the DEP at the time of the evaluation. Our focus will now be on what our plans will be moving forward with the dump site and surrounding town property.

On a lighter note, the annual Chicken Barbecue was again another success. We served more than 170 residents that day! Although the weather report days before the barbecue did not sound so good for an outside event, Mother Nature intervened and the day turned out spectacular! Thanks again to Ricky Parlin for his chicken cooking expertise and all the volunteers donating their time and food for the event which is crucial in making the barbecue a successful event every year. Thanks also goes to Brian Breton for arranging the music at the event again. It's hard to beat good food and music to round out another perfect outdoor community event.

A special thanks go out to everyone who continues to volunteer their tools and equipment, their time, and enthusiasm; whether cleaning the Community Center parking lot and grounds, annual roadside clean-up day, beautifying the Pond Road triangle with flowers and mulch or collecting bottles for the annual chicken barbecue fund. These events would not happen without the extraordinary efforts and heartfelt participation of all the volunteers who continually step forward and make the job look effortless.

As always, we would like to thank the residents of Mercer for your support in our efforts to continue to make this a great community to be proud to live and work every day.

Respectfully submitted,

Mercer Select Board

Left to Right: Gary Mosher, Mary Burr, Bruce Hurley

Our spring culvert shipment, two truckloads! Gary Mosher, Bruce Hurley and Joe Lewandowski helped to unload them at the Sand Shed. Let summer work begin!

Below Indian Stream culvert washout and repair. Warren Brothers did a great job with the repairs. The Town held a ribbon-cutting ceremony on June 11<sup>th</sup> to mark the occasion.

Trunk or Treat Event 2024 - Organized by Gaylene Williams

## **Administrative Assistant Report**

To the Citizens of Mercer,

The primary focus was on FEMA road repairs this year. Utilizing two contractors, we were able to get more of the projects completed with only a few projects remaining. We plan to finish up East (West) Sandy River Road and are waiting to hear from FEMA on replacing the three culverts at Pattee Brook with a new cement box culvert. New for 2025 will be paving a portion of Elm Street, complete with some culvert replacements, assessing and hopefully replacing two damaged culverts, one on Main Street and the other on Rome Road.

The town sold a piece of real estate on Brown Road. The proceeds went into the MCC Maintenance Fund. The plan will be to repair the MCC parking lot this year utilizing this fund to cover a portion of the cost.

RJD Appraisal completed the town-wide revaluation in June of this year. Hearings were held following the notice of changed values. All in all, the process went as smoothly as we could have hoped for. We funded the cost of the revaluation from the Reval Fund and the balance from taxation. I am hopeful that in 2026, we can start again with setting funds aside for the next revaluation.

New policymaking in 2024 consisted of an Emergency Action Plan and we adopted Somerset County's Hazard Mitigation Plan, which came just in the nick of time. Mary Burr and I applied for a FEMA grant to purchase a generator for the MCC building, including an electronic transfer switch, along with the purchase of a 1,000-gallon propane tank to supply the generator with fuel to run the building. In order to qualify for this grant, we needed to have a Hazard Mitigation Plan in place which is where Somerset County came in. Their plan, of which Mercer was part of, had expired and was finally approved by FEMA the end of October this year. If we get this grant, our plan is to offer the MCC building as a warming shelter for residents to use if they are without power for extended periods of time.

Mercer Rescue secured a grant to purchase a heart monitoring machine. Although the rescue team remains strong, are in hopes to add new members to aid in first responder duties.

The solar application of Nexamp Inc. is still moving forward, they are close to receiving final approval from the Planning Board to begin the construction phase of their solar project off Route 137. The construction bond for this project will need to be received before actual construction can commence.

The Planning Board is supportive of changing the Solar Ordinance. We had the town attorney review the proposed changes from the Planning Board, in particular Denis Culley, made some additional edits and plan to bring an amendment to the voters at our town meeting scheduled for March 1<sup>st</sup>, 2025.

Necessary maintenance to the heating system was approved this year. We applied for and received a grant to match 50% of our costs. ABT Plumbing is currently re-wiring the thermostats, changing the zone valves throughout the building and replacing the blower motor in the library's remote workspace. We've also had the propane line to the kitchen checked, the kitchen stove and warmer serviced and repaired and are in the process of getting the water tested. We are in hopes of renting this space in 2025. Stay tuned on the food front....

With regard to contracts, the Select Board negotiated a three-year contract for winter plowing with Joseph Lewandowski. With many of our gravel roads repaired with FEMA funds, we're happy to provide the town with some savings in the summer roads budget this coming year.

A town logo has been created to give Mercer an identity. A committee was formed and designed a logo to represent Mercer. We purchased some merchandize and sold it at the 2024 Chicken Barbecue and on election day in November. The committee hopes to offer more merchandise in 2025.

Our chicken barbecue event was a happy one. Thank you, Ricky, for cooking up the delectable chicken again this year. Thank you to everyone who helped make this event a success, we couldn't have pulled it off without you.

Thanks to the volunteers who assisted with spring clean-up at MCC this year and who supported the roadside cleanup in recognition of earth day. It all matters!

Respectfully submitted,

Nancy J. Gove  
Administrative Assistant to the Select Board

Left to right: Christine Parent, Nancy Gove

## TOWN CLERK REPORT

To the Citizens of Mercer,

Elections kept the Clerk's Office quite busy this year. Bruce Hurley joined the Board of Selectmen, Assessors and Overseers of the Poor, giving up his seat on the school board for RUS 54. Jeffrey Veilleux, Denis Culley and Elizabeth Padham all joined the Planning Board and Roberta Goodwin was a new addition to the Shaw Library Trustees Board. Welcome new members and a big thank you to all that agreed to stay on for another term, I greatly appreciate your involvement in local affairs.

I administered four elections this year: March 1<sup>st</sup> municipal election with 81 votes cast; March 5<sup>th</sup> Presidential Primary Election with 160 votes cast, June 11<sup>th</sup> State Primary and MSAD 54 Budget Validation Referendum Elections (ran concurrently) with 99 votes cast and the November 5<sup>th</sup> General/Referendum (Presidential) Election with 510 votes cast.

The town received an election grant from CTCL in the amount of \$5,000 to aid in funding the election budget. Grant funds were used to purchase two more voting booths, two more guardrail barriers, postage for election and absentee materials, payment to all election staff who worked or attending the training session for the November election, meals, supplies, etc.

We renewed our only Automobile Recycling Business for another 5 years to Cole Belanger doing business as Ridgeline Auto.

We didn't sell any cemetery lots this year and unfortunately, we weren't able to repair the fence at Hampshire Hill Cemetery, a project that will hopefully carry over to 2025 along with identifying the souls buried in that cemetery

Vital records recorded in 2024 for Mercer were as follows: Births – 7; Marriages – 11; Deaths – 13. A heartfelt welcome to the world to our new arrivals, congratulations to the lucky couples who joined in marriage and my sincere condolences to the families who suffered loss this past year.

The State changed how clerks issue dog licenses this year. Dogs are now recorded in a state database called PetPoint. Dog licenses issued in 2024 were as follows: 24 male/female; 124 spayed/neutered. Dog licenses expire December 31<sup>st</sup> annually. Please bring proof of rabies. Fees remain the same: \$11/dog if capable of reproducing or \$6 if spayed or neutered. Late fee of \$25/dog goes into effect for any unlicensed dogs on February 1<sup>st</sup>.

Inland Fisheries & Wildlife sporting license and registration activity in 2024 was as follows: snowmobile registrations 75; ATV registrations 95; boat registrations 76, and sporting licenses 106.

Thanks for your continued support.

Respectfully submitted,

Nancy J. Gove  
Town Clerk

# Report of the Registrar of Voters

To the Citizens of Mercer:

A Maine registered voter may enroll in one of five political parties (see below). For Mercer, registered and enrolled voters as of December 31, 2024 are as follows:

- Democrats – 138
- Green Independent – 34
- Libertarian – 3
- No Labels – 10
- Republican – 230
- Unenrolled – 206

A Citizen Initiative Petition entitled “An Act to Require an Individual to Present Photographic Identification for the Purpose of Voting circulated around the state during the November 2024 Presidential Election this year.

Information relating to municipal caucuses – a biennial municipal caucus may be held by any political party for the purpose of electing delegates to a state convention and for any other business. This caucus must be held during the general election year before March 20<sup>th</sup>. The secretary of the committee shall have a notice of the caucus published in a newspaper having general circulation in the municipality. Municipal and regional caucuses were held on February 3<sup>rd</sup> or 4<sup>th</sup>, 2024.

Respectively  
submitted,  
  
Nancy J. Gove  
Registrar of  
Voters

## TAX COLLECTOR'S REPORT

To the Citizens of Mercer,

The 2024 Tax Commitment was processed a little earlier than past years because we had wrapped up on a town-wide revaluation in June. All property values were adjusted to reflect current market sales analysis. All property tax cards were updated to include a sketch and a photograph of each lot's structures. The 2024 Real Estate and Personal Property Commitment was \$1,296,714.77 less abatements granted in the amount of \$1,661.10. Homestead and veteran exemptions were granted at 100% this year and the mil rate dropped to \$10.50 per \$1,000 of value.

New for the 2025 Annual Town Meeting will be an article to set the date upon which all taxes shall become due – August 15<sup>th</sup> annually. This will aid taxpayers and escrow companies to plan to pay annual taxes by the same date each year.

Personal property tax collections continue to be a struggle. Because personal property is not subject to the tax lien process, the Tax Collector's only option for collecting the tax is to take businesses to court. I've attended a small claims court training this year and will focus some time and attention to the collection of personal property. To date, I'm unable to be released from the taxes committed to me for the tax years 2022 and 2023 because of outstanding personal property.

Please know that the Tax Collector's Office does accept partial payments. Many individuals do pay on a frequent bases, whether ahead of the upcoming tax commitment or paying for arrearages, we're here to help you figure out a payment solution to works for you.

The Bureau of Motor Vehicles has decided to change the chickadee license plate to that of a pine tree representing Maine's first flag. Residents may choose the tree plate or a "no tree" option. The roll out of the new plates will begin in May of 2025. The state is not allowing tax collectors to process early registration renewals at this time.

Excise taxes collected in 2024 were \$183,061.59. Renewing your vehicle registration ONLINE will change as of May 1<sup>st</sup> for anyone who possesses that chickadee plate and a registration that will expire on OR after May 31, 2025. You will be required to come into the Town Office to register your vehicle. If you like your plate number or have a vanity plate, I strongly encourage you to fill out a request to reserve that plate number for the new plate issuance program.

On the following pages is a true account of uncollected tax balances by year. Please feel free to see me if you have any questions about these balances.

Thank you for your continued support this past year.

Respectfully submitted,

Nancy J. Gove  
Tax Collector

# Report of the Treasurer

To the Citizens of Mercer:

This was the year for grant administration. FEMA still remains our largest disaster recovery program to date. With three major natural disasters within a span of a year, the total claim in damages, repairs and mitigation efforts totals \$1,384,078.82. The Town has been reimbursed \$981,378.22 to date. The town’s share of these repairs is approximately \$138,407.88, less management costs which can account for up to 5% of project costs.

Other grant awards this year included: CTCL (elections) Grant of \$5,000; EMA (warming shelter) Grant of \$1,500; RMS Safety (security cameras) Grant of \$3,000; Somerset County Matching (heating system repair) Grant of \$6,594.50; ARSL (library) Grant of \$11,065; and a Mercer Rescue (heart monitoring) Grant of \$5,000, totaling \$32,159.50. Mary Burr and I have been working to secure a 75% match for a FEMA HMGP 4696 (generator to power the MCC building) Grant of \$46,828.31 (town share would be \$11,800). These grants provided much needed infrastructure, building improvements and enhanced services to the citizenry with minimal costs to the taxpayers.

Although interest rates aren’t as favorable as they were a year ago, I continue to invest excess proceeds for the town. Bank interest earned the town an additional \$25,718 in 2024.

The State repealed LD #1 in 2024, a tax levy limit that was imposed many years ago. You will no longer see an article on the warrant for increasing that limit set by law for spending.

The town completed a town-wide revaluation. We’ve basically depleted our Reval sub-account and should start funding it again with unexpended balances in the assessing budget and future appropriations.

Unassigned Fund balance as of December 31, 2023 was \$565,365. With an operating budget of \$1,761,000 in 2024, this gives us approximately 3.5 months of operating cash which is within the parameters set forth in our Fund Balance Policy.

The following pages report the financial status of the town. As always, feel free to reach out to me with any questions you may have. Thank you for your continued support. (At right, solar eclipse April 8, 2024.)

Respectfully submitted,

Nancy J. Gove, Treasurer

# Notices

**Real Estate Tax:** All property tax is assessed to the owner of the property on April 1<sup>st</sup> of that year. If you sell your property after April 1<sup>st</sup>, you will still receive the tax bill and it is up to you to make sure it is paid/forwarded to new owner.

**Business Personal Property Tax:** By law, a list of all business equipment and its value **must** be filed with the Assessors by April 1<sup>st</sup> **every** year. If you have started a new business, you need to notify the Assessors to obtain forms for filing a list of your business equipment. If this business equipment qualifies for the Business Equipment Tax Exemption (**BETE**), the business is not taxed for the personal property (the **BETTE** application **must** be filled out **every** year and is the responsibility of the owner to do so).

**Homestead Exemption:** To qualify for this exemption, the home must be your primary residence, you must have owned your home for a period of at least 1 year before April 1<sup>st</sup> of the current tax year. All notifications and applications for exemption **must** be made no later than April 1<sup>st</sup> of the current tax year. This is a one-time application.

**Veterans Exemption:** All Veterans who will be 62 years of age on or before April 1<sup>st</sup>, any totally disabled Veteran or any widow, widower or minor child(ren) of Veterans who would have been 62 years of age on or before April 1<sup>st</sup>, should contact the Assessors to see if they are eligible for a tax exemption. Applications for Veterans exemptions must be received in this office on or before April 1<sup>st</sup>. This is a one-time application.

**Tree Growth Classification:** All new owners of land that is in tree growth have **one** year from the date of purchase of the property to file a certified tree growth plan. All tree growth plans need to be recertified every **ten** years. Failure to have your certified plan submitted to the Assessors by the appropriate date will result in removal of the land from the tree growth classification and the assessment of a removal penalty.

**Property Tax Deferral:** An owner of a home that receives a homestead exemption may apply for deferral of taxes on that home if the owner has income of less than \$40,000 and liquid assets of less than \$50,000 (less than \$75,000 if more than one owner and both are applying) and the owner is either 65 and older or is unable to be employed by reason of disability.

**Shoreland Zoning:** Permit(s) **must** be obtained if making any changes to existing property/structures or adding new structures to property in the Shoreland Zone. Application can be obtained at the Town Office.

**Notification to the Assessor:** When adding a new, or removing an existing, structure to a piece of property the owner **must** fill out a Notification to the Assessor form. Forms available at the Town Office.

## Board of Assessors' Report

To the Citizens of Mercer:

A town-wide revaluation was completed this year. RJD Appraisal was hired in 2023 to begin the multi-year task of visiting all properties in Mercer. Photos and sketches of structures were electronically recorded within each property record card in TRIO. Cost files were updated to reflect current market prices for various types of land and structure which was used to determine land and building values. The final process was to send a letter stating your new values to each property owner. Hearings were held with taxpayers on June 17, 18 and 19 to review any discrepancies with the new assessment.

Our goal of the tax assessment process still remains the same, to identify and assess property within the Town of Mercer and ensure the fairness and equity of all real and personal property values, comply with statutory laws as mandated by the State of Maine, update and maintain accurate maps, and process all recorded legal documents in a timely manner to reflect accurate records of property ownership.

All property is assessed based on its condition on April 1<sup>st</sup> annually. If you purchase or sell property after April 1<sup>st</sup>, the owner of the property on April 1<sup>st</sup> will receive the tax bill per state law.

All non-exempt business personal property is taxable. Businesses are required by state law to list their personal property with the assessors by April 1<sup>st</sup> of each year. Personal Property forms are available at the town office. If you have paid excise tax on a piece of equipment, please mark your list accordingly so it isn't taxed twice.

The Board of Assessors received an annual visit from the State. Their preliminary State Valuation for Mercer is as follows:

2024 State Valuation for Mercer: \$101,650,000

2025 State Valuation for Mercer: \$117,100,000\*

\*This value does not reflect our town-wide revaluation, we'll see this in our 2026 State Valuation Report.

Respectfully submitted,

Board of Assessors: Bruce Hurley, Gary Mosher, Mary Burr and Agent Zeb Pike

**From the Municipal Tax Commitment for  
Mercer Maine for 2024:**

## **Mercer Planning Board 2024 Town Report**

The Mercer Planning Board has had a busy and productive year in 2024, addressing numerous applications and inquiries. Among these were reconstruction requests for properties lost to fire and ongoing work on a proposed solar array project by Nexamp Energy, submitted on behalf of a town resident. This process involved collaboration with the Selectboard, as required by town ordinances.

The Board has also dedicated significant effort to reviewing and clarifying ordinances with assistance from the Maine Municipal Association (MMA) and Denis Culley. This work has been instrumental in ensuring that our ordinances are clear, consistent, and aligned with the town's needs.

We are pleased to welcome new members to the Planning Board this year. Jeff Veilleux has joined as a regular member, replacing Chris Dutil, and Elizabeth Padham has stepped in as an alternate member. Jeff has been an invaluable addition, actively participating in assignments and contributing to the Board's overall functionality. Elizabeth has also been proactive, taking on the interim secretary role when needed to ensure continuity during the absence of our current secretary.

Lastly, I want to express deep gratitude to Hillel Weisell, who has announced that this will be his final year on the Board as he is not seeking reappointment. Hillel has been a vital and dynamic member of the Planning Board, exceeding expectations with his initiative, dedication, and contributions. His insights and active participation have been invaluable, and his presence will be greatly missed.

On behalf of the Mercer Planning Board, we thank our residents for their continued support as we strive to serve the town effectively and thoughtfully.

Respectfully,

Jason Juskewitch  
Mercer Planning Board Chair

## **Mercer Code Enforcement Officer for 2024**

This year, the town issued 8 building permits, encompassing a range of activities from tree removal to new construction. I conducted several inspections and addressed various code violations through appropriate measures. Additionally, I received numerous inquiries regarding code issues both on and off the lake. I collaborated with the planning board on the solar application process for Nexamp, which is working to establish a solar field on Map 8 Lot 27 in Mercer, and the process is progressing well. Furthermore, I participated in a workshop on gravel roads and driveways organized by 7 Lakes Alliance. Overall, I believe the shoreland is being effectively monitored by the town and its governing officials.

It has been a pleasure to serve as your CEO over the past year.

Ryan Storro, CEO  
Mercer, Maine

\*\*\*\*\*

## **Mercer Code Enforcement Officer starting January 2025**

To the residents of Mercer:

As 2025 begins I will start the year as the Towns Code Enforcement Officer. I live in New Sharon and am currently C.E.O. of 4 other towns in the area. If you have any questions regarding land use, codes, or permits, please feel free to call or email.

Respectfully submitted,

Jonathan Arnold  
C.E.O.  
207-242-3331

[jonarnold4477@yamil.com](mailto:jonarnold4477@yamil.com)

## Animal Control Officer Report 2024

I have been an Animal Control Officer for 10 years now, serving several towns. The last 2 years, things have changed dramatically. The biggest issue continues to be the cat population and what to do about it. I used to just bring them to the Animal Shelter but the amount of room that the shelters have had has steadily decreased, now they are at full capacity. If you wanted to donate to build bigger shelters, that will just delay the issue. If you donate towards having them spayed or neutered, that would slow down the population immensely. I am asking folks to not feed any cat that isn't yours. There is no leash law with cats because they don't obey them. Leave them alone and they will generally go home. If you feel that you must feed it, then also make sure that you have it spayed or neutered. If you have a cat that is allowed outdoors, I highly recommend that you have it microchipped so that it can be either tracked or at least identifiable as your cat.

Please keep your dogs in your own yard with a fence, radio fence, runner or something. A chip for tracking or to make it identifiable, or at least a tag on its collar will save you the expense of finding your stray dog at the Animal Shelter. Excessive barking has become a bigger problem as well. Please be considerate of your neighbors and train your dog to not bark incessantly, or keep it inside. Dogs will bark, but a law is now in the State Legislature to fine folks that allow their dog to continue barking to excess.

People seem to interact with each other with much less patience these days. I, as the ACO, care not only for the animals, but also for the people housing them. If we can have an open dialogue, almost all situations can be resolved. We each need to take responsibility for our own pets; food, water, shelter, and spay/neuter.

Dogs can be licensed for the following year starting mid-October; \$6 for spayed/neutered and \$11 for not spayed/neutered. There will be a late fee of \$25 after January 31st. Please don't make me have to track you down to get you to license your dog.

Please contact me with any issues and work with me to resolve them. Always leave a message if I do not answer and I will try to respond promptly. If you don't want to leave a message then please call again, as phone service is not always great. Thank you for entrusting me with this responsibility. It's not always easy but it is rewarding with some challenges. Please help support me in the challenges. Believe me, I'm not doing it for the pay.

Dexter "Buzz" Bridges  
Mercer Animal Control Officer  
Phone: (207) 446-0739

## Mercer Budget Committee Report

The Budget Committee held an organizational meeting with the Select Board on May 21, 2024, to elect a chair and discuss how the Budget Committee could assist the Town and the Select Board in the coming year. The 2024 expenditures approved at Town Meeting were reviewed, as well as the estimated tax commitment and mil rate as a result of the revaluation of the town. In addition, the recent changes to the law regarding tax acquired property were discussed. The Town of Mercer currently has a number of properties that have been tax acquired over the years and it was agreed that, where possible, the properties should be sold and put back on the tax rolls.

The Budget Committee met quarterly with the Select Board and Treasurer to review revenue and expenses versus budget. These meetings provided a detailed view of the town operations and offered an opportunity for the Budget Committee to ask questions and discuss current topics. Considerable time was spent discussing damage to roads as a result of the December 2023 and May 2024 storms, and the application for FEMA funds. The primary concern was cash flow as the reimbursement from FEMA and MEMA often lagged the expenditures to make the repairs. The municipal officials did an outstanding job of managing the cash flow situation and no money had to be borrowed and all bills were paid in a timely manner.

As the year comes to a close the Budget Committee will again meet with the Select Board to review year end results and discuss articles for the annual Town Meeting Warrant.

The town has operated in a fiscally responsible manner and our finances are in excellent shape. The Town continues to have no debt, many tangible assets, and a very healthy cash position as we enter 2025.

Respectfully submitted,

# Mercer Shaw Library Annual Report - 2024

As you can see from the adjacent page, there's a LOT going on at the LIBRARY!

We put our grant money to good use remodeling the room next door and it is open for business - YOUR business. As you can also see, we have expanded our program offerings that take place in the library, the remote workspace and all around the Community Center.

This year **1,884** visits were made to the library. Circulated items numbered **753**; mostly books of course, but also audiobooks, DVD's and puzzles.

(Board games will be added to our sign-out collection soon.) Ninety-five sessions of our programs (Pickleball, Mug Up, Saturday Shaw Social, and Digital Classes) were attended by over 600 attendees. About 300 visits were made to the new remote workspace alone, for a variety of reasons: remote work, filling out and filing applications, updating resumes, attending remote and in-person meetings, shopping online, writing letters, printing, faxing and scanning, attending digital classes, taking a break in the lounge chairs, getting help with technology, conducting research, perusing the series collections, reading, and more.

You might have noticed the library's capital improvements such as the beautiful, hand-crafted outdoor sign, a lawn sign posting daily hours, a replacement ramp to the library entrance, comfy chairs and new blinds. This coming Spring we will be adding an outdoor seating area near the new 4' x 4' flower boxes donated by Becky and Jeffrey Nelson. Using foundation funding and collaboration, you will be seeing new faces at the library to help you with technology and digital classes.

Keep up with us online on Instagram, Facebook, and our website, or pay us a visit in person during our open hours:

T/Th 12:30 - 4:30 pm, Wed. 3 - 6pm,

Sa 9am - 1pm.

Respectfully submitted, Library Trustees and Director

We very much appreciate the generosity, assistance and cooperation of the Mercer Selectboard, Nancy Gove, Town Treasurer/Clerk, and Christine Parent, Deputy Clerk. **We are especially grateful to YOU, the Mercer Townspeople, for your continued support and involvement!!**

The Remote Workspace and Digital Classes are made possible by the financial and collaborative contributions of these organizations.

# Licensed Plumbing Inspector Report

While you may have read a bit about septic design and inspection, you might be wondering if you need to be a part of some septic “secret society to fully understand the permitting process.

The good news is that with the right set of knowledge and resources, you can easily navigate the process of septic design, inspection and permitting (no hazing or membership fees required)!

My goal here is to ensure you’re fully prepared with all the paperwork in place, so let’s get started. Before we dive too deep into the details (figuratively speaking, of course), let’s walk through the process of septic tank maintenance and the permits required for a new build or replacement system.

## Permitting:

***Do I really need a permit for my septic system, or can I just dig a hole and “let nature do its thing”?***

Yes, a permit is **required** to *install, replace, or repair* a septic system in Maine. To obtain a permit, you will need to submit a [Subsurface Wastewater Disposal System application](#) – your local licensed plumbing inspector can guide you through the process of obtaining the appropriate paperwork. Permit fees apply and vary by municipality.

## Site Evaluation:

***Is there a “Septic Tank Whisperer” I should hire to assess my land, or is this something I can handle myself?***

You will need a site evaluation if you’re installing a septic system for the first time, if you are replacing and/or repairing existing system – or are expanding an existing system. The State of Maine requires a licensed Site Evaluator to assess your property, evaluate site conditions and check the soil. You can find a list of licensed evaluators on the [DHHS website](#).

## System Design:

***Can I get creative and design my septic system like a Pinterest project—complete with quirky piping and upcycled materials? Or are there strict regulations on how it must be designed?***

In Maine, you cannot design your own septic system. To ensure the system is properly suited to the site conditions, a licensed Site Evaluator (aka: a “septic tank whisperer”) must handle the design. It’s essentially one-stop shopping — where you get both the site evaluation and the system design, complete with all the necessary pipes and permits!

## Installation & Inspections:

*Once the system is designed and the permits are in place, is it time to throw a party to celebrate?*

While you're welcome to celebrate in your own way, the real party happens when the Licensed Professional Installer (LPI) comes in. They'll inspect the system multiple times during the installation process, ensuring everything's up to code. No confetti required—just proper inspections!

## Maintenance:

*What's involved in maintaining my septic system in the long run? Do I need to give it a hug every year and tell it how much I appreciate it?*

According to the EPA, you'll need to have your septic system inspected and pumped by a professional every 3 to 5 years to keep it running smoothly.

---

By following the steps above, you'll ensure your septic system is up to code and remains in good working order (hopefully limiting any secret society meetings along the way)! Ohhhhhh, by the way... here are the numbers for Mercer, before my memory decides to take a vacation again:

8 Subsurface disposal systems  
6 Internal plumbing permits

Thank you once again for allowing me the honor (and occasional thrill) of serving you great folks as your plumbing inspector for another year! It's been a year of pipes, drains, and *ahem* some truly "flush" moments.

I'm grateful for the trust you've placed in me to keep things running smoothly (pun absolutely intended). Looking forward to another year of tackling leaks, bends, and all things "watertight."

Cheers to another year of keeping it all flowing!

Ed Avery  
State of Maine  
Licensed Plumbing Inspector

# Mercer Meeting House Association

Hello Mercer!

We'd like to humbly thank you for your continued support of our beloved Mercer Meeting House. Your support ensures that the Meeting House stands for generations to come and that it may remain a pillar of history for all those who visit Mercer.

We were honored to learn that the Mercer Meeting House was selected for the official Town of Mercer logo. It's a beautiful tribute and we thank those involved in the design and inception. In October, we held a Meet n' Greet Open House with an amazing turnout. We plan to host more Open House events in the coming year. Our first annual Tree Lighting ceremony was held on December 4th. Thanks to everyone who attended and celebrated the season of joy with us. Sadly, in late December, we lost another longtime member of our association. We honor Josephine, along with all other members that have passed, on our memorial benches at the Mercer Meeting House.

This year's restoration project focuses on bell tower repairs. The top cornice molding, ladder and spires are experiencing weather rot and subsequent critter damage. Clapboards are in need of scraping and painting and the valleys need resealing. We applied for and received a Matching Grant through Somerset County for the estimate, however, this only covers known damage. As with any historical restoration, it's the unknown repair costs that can ruin a budget. We have requested a respectable amount in this year's warrant. This, along with fundraising efforts and donations, will ensure the repairs are completed and the structural integrity secured. Contractor work is scheduled for the spring 2025. Once this repair is completed, we hope to use the same contractors to scrape and paint the remaining exterior of the building in 2026.

THANK YOU! We appreciate the generous donations throughout the year and appreciate the continued support of our community. We welcome you to join us in preserving Mercer's history. We hold meetings throughout the year, we'd love to have you join us. Email us at [mercermeeinghouse@gmail.com](mailto:mercermeeinghouse@gmail.com) or by calling Linda at 207-634-2332 or Amy at 207-587-2225.

## *Mercer Historical Society 2024 Report*

Greetings from the Mercer Historical Society:

Our small group is dedicated to preserving and sharing the history of our town. We welcome new members to become active with us. Even those from away with Mercer roots, or a shared interest in our history, are welcome to join our society.

This past year we saw some important improvements done to our historic building. With funds provided by the town, we painted the front of our building. With a matching grant from the county, heat pumps were installed on all three levels. The furnace was therefore removed. This allowed new space in the basement where a special exhibit display will be created of an old-time kitchen and dining area. Other exhibits are also being upgraded. By spring, we will have the upper front windows replaced. A contractor has been hired. Peter Mandly has replaced our front rain gutters and reinstalled our amazing memorial bricks.

We are planning future events by the society, such as a fundraiser supper with a documentary film. Hopefully, next year we will have reenactors from various earlier times. Please stay posted. We had our first soup and chili to go, a great success. Also, we had our free Christmas wreath making workshop in December, and a very popular apple grafting and pruning workshop in April with special thanks to Denis Culley.

We are always very grateful to the town for its generous annual support for our society. You can see the ongoing progress of our society due to such kind support. Donations are always appreciated. Thank you very much.

Respectfully submitted,

Barry "Butch" Tracy  
President of the Mercer Historical Society

# North Pond Association Annual Report

The [North Pond Association \(NPA\)](#) is a non-profit volunteer organization of over 200 members whose mission is to advocate for the stewardship of the natural environment of North Pond and Little Pond, ensuring its sustainability for future generations.

On behalf of the entire North Pond Association Board, I would like to express the utmost gratitude to our community for their generous contributions to the North Pond Remediation Fund. As of mid-December 2024, we have raised \$861,472 with \$700,000 earmarked to treat North Pond with an Alum treatment for the algal blooms and the remainder slated for preventative erosion control measures to improve conditions in the watershed. Strengthening shoreline plant buffers and updating septic systems will minimize the phosphorus load in the lake and will be vital to extending the life of an Alum treatment. Your generosity and investment in North and Little Ponds will not only improve the water quality, but will also help the economic health of our entire community. In addition to the monetary donations, many individuals have given countless hours of their time. I truly appreciate that time and effort spent on behalf of our ponds.

The guidance of [7 Lakes Alliance \(7LA\)](#) has been vital to our cause in both administering the North Pond Remediation Fund as well as securing a pending Congressionally Directed Spending (CDS) fund of \$2.3 million. With the help of Senator Susan Collins, the grant was approved by the Appropriations Committee in Congress and awaits the passage of the Federal budget. The expected cost of the Alum treatment is at least \$3 million. We have surpassed our required match for the grant thanks to your individual and business contributions.

What are the next steps? With their experience helping East Pond with a 2018 Alum treatment, 7LA is writing the permit to the Department of Environmental Protection (DEP) for the Alum treatment. If the Alum treatment is approved and the CDS funding is secured, treatment could begin as early as Spring of 2025. In addition, together with 7LA, the NPA is purchasing new water quality monitoring equipment. The ongoing collection of accurate scientific data is key to monitoring the health of the lake.

The NPA Board and the North Pond Fundraising Committee are working on innovative ways to help people who own property on the waterfront and in the larger watershed minimize their impact on the water quality. Our intent is to use some of the money from the North Pond Remediation Fund to provide incentives for [LakeSmart](#) evaluations and septic inspections. Contact Ed Glasheen at [eglashe@yahoo.com](mailto:eglashe@yahoo.com) to schedule a free LakeSmart evaluation, and please plan

to attend the NPA “Buff Enough” workshop at the Fairview Grange on Saturday, June 21, 2025 from 10 A.M. to noon.

Unfortunately, algal blooms are not the only threat to our waters. Large infestations of [curly-leaf pondweed](#) (CLPW) were found this summer near Pomleau Island. Divers from 7LA, led by Sharon Mann, removed 506.5 gallons of this invasive plant from North Pond. The turions (seed pods) of CLPW can be dormant for 5 years. Ongoing removal of plants by specially trained divers will be necessary for the foreseeable future.

The NPA’s Invasive Aquatics Program at North Pond includes the important work of Courtesy Boat Inspectors (paid and volunteer). Workers monitor boats and educate boaters at the North Pond public boat launch with the goal of preventing invasive aquatic plants from entering the lake. The NPA appreciates the financial support of the towns of Mercer, Rome, and Smithfield to help cover the cost of the CBI Program. The returnables left at our bottle boat at Tri Pond Variety also help to fund the Invasive Aquatics Program. CBI training is available through 7LA; I urge you to consider being a trained volunteer at the public boat launch to cover hours when paid workers are not present. Invasive Plant ID Workshops and Plant Paddle Surveys will be held in the early spring to monitor the ponds for invasive plants. Shorefront owners, please consider participating in the Adopt-A-Shoreline program to monitor your own waterfront. Check the NPA and 7LA websites in the spring for additional details on all of these programs.

The North Pond Association is committed to the stewardship of North Pond and Little Pond. The NPA Board takes this responsibility very seriously. Our goal is a clear lake for all. Our community has stepped up to help in this effort. I thank the communities of Mercer, Rome, and Smithfield, our volunteers, and all who have given to the North Pond Remediation Fund for making an impact and being part of the solution!

Warm regards,

Katie Meikle, North Pond Association President

# 2024 REPORT OF THE NORRIDGEWOCK FIRE DEPARTMENT

We are proud to submit the 2024 annual report of the Norridgewock Fire Department.

2024 was another active year for the department. We responded to **248** total calls for service. The call total is somewhat down from 2023 however still represents an increasing trend line over time (dashed red line).

## PERSONNEL

2024 included several personnel changes within the department.

- Veteran call-force firefighter **Daryl Wyman** was promoted to Deputy Chief and hired to fill the part-time position of Department Administrator. We are grateful for Daryl's long-term dedication to Norridgewock Fire.
- 30-year member **Jeffrey Jones** was promoted to the position of Captain. Jeff continually leads by example. His leadership is respected by all members & appreciated by the administration.
- Full-time firefighters **Andrew Dexter** and **Kyle Mullin** were both promoted to the position of Lieutenant. Having their enthusiastic leadership at the fire station on a daily basis benefits us all. Their dedication to continuous improvement is noticed and appreciated.
- Firefighters **Dawson Pelotte** and **Brandon Wyman** joined our ranks in 2024. We are grateful for their dedication to the towns of Norridgewock and Mercer. In addition, Dawson earned his FF1 & FF2 certification in 2024.
- Former Chief **David Savage**, firefighters **Megan Jones & Andrew Pineo**, and paramedic **Dan Greaney** left the department in 2024. We wish them well and thank them for their years of service.

We are thankful to each of these firefighting professionals for their dedication, sacrifice, and service to protect the people and property of Norridgewock and Mercer.

## TRAINING

Our Training Committee is led by veteran Firefighter **Ryan Jones**, and includes Lieutenants **Mullin & Dexter**, and Firefighter **Randy Murray**. The committee has developed an ambitious plan to increase valuable department training and the corresponding training budget in 2025. We look forward to the learning challenges the committee puts forward each month.

## MAJOR PROJECTS

The major project in 2024 was to purchase & equip a new Side-by-Side. Project funding was primarily from the Estate of **Alice E. Emery**, but also included some critical funding from the Somerset County Community Benefit TIF fund & the American Rescue Plan Act of 2021. Accordingly, this \$75,000 project was accomplished without any funding from local property taxes!

The new equipment replaced our 2002 4-wheeler and supports emergency incidents on the expanded Kennebec Valley Trail and other remote locations throughout Norridgewock and Mercer. Purchases included the following:

- 2024 Polaris Ranger XP1000 Northstar side-by-side with enclosed cab
- Kimtek Research UTV combination firefighting and rescue skid
- Nitro 16' enclosed cargo trailer & electric trailer dolly
- Miscellaneous equipment including stokes basket

To compliment the new equipment purchased, a wintertime rescue skid was expertly fabricated with labor donated by Captain **Jeffrey Jones** and Firefighter **Ryan Jones**. This skid supports the use of the Stokes basket and includes a paramedic transport seat, critical for tending to & rescuing victims in remote areas.

The side-by-side and enclosed trailer were appropriately lettered with the following graphic:

At the conclusion of the project, old department equipment was retired from service and either transitioned to another town department or offered for sale via competitive bid. This resulted in generating **\$8,800** to be dedicated to future department projects.

#### **FIRE SAFETY**

- Having multiple working smoke and carbon monoxide detectors in your home is critical to your family's safety. The risk of dying in a home fire is **cut in half** in homes with working smoke alarms. If you have any questions, or need assistance, please contact the Fire Department at 22 Upper Main Street in Norridgewock or call 634-2208.
- Per Sec. 4. 12 MRSA §9324, sub-§: "A person who kindles or uses a recreational campfire may not allow the recreational campfire to **exceed 3 feet in diameter on the ground at the base of the fire or 3 feet in height.**" If the fire exceeds that size, then a burn permit is required. We issue burn permits at the fire station free of charge & subject to weather conditions. Property owners can also obtain free permits online from Maine Forest Service at [www.maineburnpermit.com](http://www.maineburnpermit.com).

#### **CONCLUSION**

Finally, I would like to publicly thank former Chief **David Jones** for his unwavering support and guidance. Dave continues to be one of our most active department members. His dedication and fire service experience are unmatched in the history of Norridgewock Fire.

Respectfully Submitted,

Todd D. Pineo  
Fire Chief

# SOMERSET COUNTY

*Maine*

Somerset County Government provides every day public safety services to the residents and visitors throughout our 4,095 square miles. Nearly 80% of our employees are directly involved in taking calls for service, responding to those calls, prosecuting violations of the law and providing incarceration and corrections. Furthermore, County Government secures property rights through the Registry of Deeds and protects family rights in Probate Court.

In a partnership with each of our towns, plantations and townships, Somerset County seeks to strike a balance of services and costs to the taxpayer. The budget put into effect July 1, 2024 was a modest 3.1% increase over the past year thanks to the diligent work of Department Heads, County Commissioners and the Budget Committee.

Throughout the State there was significant turnover in County Commissioners in 2024. In Somerset however, we were fortunate to return Robert Sezak in District One and Cyp Johnson in District Two through re-election. Sitting Commissioners Scott Seekins of District Three, Joel Stetkis in District Four and John Alsop in District Five compose a board of experienced leadership for the County.

A priority for these Commissioners has been providing funding to Towns and agencies that are on the front lines of community service. Early in 2024, the Commissioners provided \$108,500 in Community Benefit Funds to Towns impacted by the significant flooding in the December 2023 storms. Since the fall of 2023, over 35 entities have received \$330,000 in Community Benefit Grants impacting 20 different Somerset Communities. These matching grants have spurred over \$700,000 in local development.

More information on the Community Benefit Matching Grant Program, and many other programs and services offered can be found at [www.somersetcounty-me.org](http://www.somersetcounty-me.org)

In 2024, the County formed an official partnership with Somerset Public Health to provide a Care Coordinator within the Sheriff's Office and County Jail to assist with recovery of substance abuse issues. This trained professional processes referrals from Sheriff's Deputies for individuals and families in need of resources, and coordinates with Jail Administration to connect inmates to services within the facility and refer and make appointments to community resources upon release.

This past year the County also embarked on a study of Animal Control resources in Somerset. Pulling together a committee that included ACO's for various towns, law enforcement, Commissioners, Town Managers and Select Board members, the study has compiled pay rates for Animal Control Officers, and is assessing the capacity of the Somerset Humane Society's shelter in Skowhegan. This ongoing study seeks to make necessary improvements to the area's Animal Control infrastructure.

While staffing remains a challenge in the current economy, Somerset headed in to 2025 with a workforce near full capacity for the first time in over a decade. On behalf of all County employees, it is our pleasure to serve our communities.

Tim Curtis – Somerset County Administrator

Integrity      Respect      Fairness      Dedication  
SOMERSET COUNTY SHERIFF'S OFFICE

---

## 2024 Sheriff's Office Annual Report

Dale P. Lancaster  
Sheriff

January 1, 2025 begins my 10<sup>th</sup> year as your Sheriff. I want to personally thank everyone for your continued support for the Somerset County Sheriff's Office. It is a privilege to serve the citizens of Somerset County, and our visitors.

The Office of Sheriff oversees the operations of the County Jail, law enforcement, court security, and civil process. Somerset County is approximately 4,000 square miles. The County is comprised of 27 towns, 6 plantations, and 83 unorganized townships. This year, I began my 2-year term as immediate past President of the Maine Sheriff's Association. I continue my appointment to the Board of

Directors for (NESPIN) New England State Police Information Network. I am also a board member for the Statewide County Corrections Professional Standards Council.

I would like to report that the Somerset County Sheriff's Office continues to be an accredited law enforcement agency through the Maine Law Enforcement Accreditation Program. The Sheriff's Office law enforcement policies and procedures are best practice for the State of Maine. I want to take this opportunity to thank staff and Deputies for their diligent efforts to obtain this accreditation.

In 2024 the Somerset County Sheriffs Office added two School Resource Officers (SRO). We provide an SRO to SAD 59, Madison and to SAD 54, Canaan and Norridgewock.

The Sheriffs Office collaborates with Somerset Public Health to provide a Care Coordinator for Substance Use Disorder. When Deputies respond to incidents that have addiction related components, they now have an imbedded caseworker that can process referrals for treatment.

The Sheriffs Office procured a drone, through grant funding, to assist Deputies with the investigation of crime scenes and motor vehicle crashes.

### Law Enforcement

The Patrol division is comprised of 14 Patrol Deputies and 3 Sergeants. Through funding from the State of Maine, we have 2 Deputies dedicated to patrolling the unorganized townships. The Patrol division is overseen by a Lieutenant. The Patrol Division conducted 1,275 traffic stops and covered 987 reportable accidents. The patrol division arrested/summonsed 835 individuals in Somerset County. The Sheriff's Office assigns 1 Deputy per shift to patrol the Town of Madison. We have a 32-hour Secretary/Dispatcher assigned to Madison. We had a total of 4 Deputies graduate from the 45<sup>th</sup> and 46<sup>th</sup> Basic Law Enforcement Program (BLETP) at the Maine Criminal Justice Academy this year.

The Criminal division is comprised of 4 Detectives, 1 Domestic Violence Investigator assigned to the Somerset County District Attorney's Office, and is overseen by a

Integrity      Respect      Fairness      Dedication  
SOMERSET COUNTY SHERIFF'S OFFICE

---

Lieutenant. The Sheriff's Office continues to partner with MDEA (Maine Drug Enforcement Agency) to have an agent assigned to the Criminal Division. Presently, that position is not filled. The Sheriff's Office has 1 trained accident re-constructionist along with 1 forensic mapper. The Sheriff's Office has 2 canines, one assigned to each division.

Throughout 2024, the Sheriff's Office Criminal Division investigated a large volume of illicit drug trafficking activities. This year the Criminal Division obtained 63 search warrants and charged 68 people with illicit drug charges. The Criminal Division charged 60 people with crimes such as, burglary, theft, sexual assault, fraud etc. Between January and December, the Criminal Division executed 22 illegal marijuana cultivation drug search warrants. These warrants have been executed in the Towns of Cornville, Norridgewock, Madison, Anson, Solon, Ripley, St. Albans, Skowhegan, and Canaan. In 2024 the Criminal Division seized approximately 28,000 marijuana plants, approximately 250 pounds of processed marijuana, approximately \$50,000 in cash, and 5 motor vehicles. In 2024, the Crimes Against Persons Detective investigated 27 sex offense complaints. 19 of those cases involved child sexual abuse where forensic interviewing was utilized. Detective Jeremy Leal is a Children's Advocacy Center forensic interviewer. As a result of these investigations, and working with the District Attorney's Office prosecuting these cases, we were able to get substantial sentences in a number of child abuse cases. The Sheriff's Office Criminal Division tracks individuals who are required by law to register as sex offenders. 3 individuals were charged/arrested with Sex Offender Registration Notification Act violations.

### Jail

The Somerset County Jail, when operating at full capacity, operates with 36 budgeted Correctional Officers, 8 Shift Supervisors, 3 cooks, 12 program and support staff, and 9 administrative staff. The Somerset County Jail is now 17 years old. The County Jail is nationally accredited through the American Correctional Association and is operating under nationally best practice standards. The County Jail is also PREA (Prison Rape Elimination Act) certified. In 2024 the Somerset County Jail recorded 1,319 total bookings, a 3.2% increase since 2023. We are currently still working with the State of Maine in administering Sublocade to inmates who identify with an Opioid Use Disorder. The Somerset County Jail has a robust programs division. Services provided include parenting classes, alcohol treatment, education and mental health counselling. In 2024 we collaborated with Somerset Public Health, funded by New Balance, inmates work growing a variety of vegetables that get processed on site by our kitchen workers and distributed to local schools.

### Civil Process

Integrity    Respect    Fairness    Dedication  
SOMERSET COUNTY SHERIFF'S OFFICE

---

In 2024, the Somerset County Sheriff's Office Civil Deputies received 1,325 papers to process and serve. That is a 23% decrease from 2023.

### Calls for Service

- In 2024, the Sheriff's Office received 17,479 calls for service from our residents. This represents a 4.3% decrease from 2023.
- During 2024, the Sheriff's Office responded to 230 calls for service from the Town of Mercer, which is a 12% decrease from 2023. These calls included 6 motor vehicle stops, 32 motor vehicle accidents, 4 calls requesting citizen assistance, 3 domestic disturbances, as well as calls for burglary, theft, criminal threatening, assault, harassment, welfare checks, and requests for other police services.

The Somerset County Sheriff Office remains committed to our core values:  
INTEGRITY-RESPECT-FAIRNESS-DEDICATION.

**Jared Golden**  
Congress of the United States  
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It's an honor to continue serving as your representative in Congress, and I take the responsibility very seriously. Thank you for the opportunity to share an update on the work I've been doing for the people of the Second Congressional District.

**Fisheries:** This spring, the Atlantic States Marine Fisheries Commission (ASMFC) announced a gauge increase for lobsters caught in the Gulf of Maine beginning in January 2025. Maine fishermen warned that this decision is founded on incomplete and inaccurate data. Additionally, this gauge increase could put Mainers at a competitive disadvantage to Canadian fishermen with looser regulations. That's why I sent a [letter](#) to the ASMFC urging them to delay their decision until they can evaluate data with fishermen, whose proactive stewardship provides invaluable insight. I have also submitted an amendment to this year's funding bill that would block federal funding from being used to implement and enforce a gauge increase. Because of these efforts, the ASFMC made the decision to delay the implementation of this new requirement. I'll always stand with Maine lobstermen against unfair, unnecessary regulations that threaten their livelihoods and industry.

**Veterans:** The first meeting I attended as an elected official was with a large group of veterans and the former Director of the Maine Bureau of Veterans Services. We discussed a lot, but one issue rose above the rest: how little was being done for Maine veterans who needed treatment for mental health issues or substance use. At the time, there were no in-patient treatment beds in Maine, so veterans had to wait for a bed to open up at an out-of-state facility. Fast forward 10 years, through unending red tape, and I'm delighted to report we just broke ground on a treatment facility at the Togus VA Medical Center in Augusta. This was the direct result of the tireless advocacy of veterans from across our state — this win is theirs.

**Postal Service:** This spring, the U.S. Postal Service (USPS) announced plans to consolidate and move some processing operations from the Eastern Maine Processing & Distribution Center in Hampden to Scarborough. This would have caused significant mail delivery delays that disproportionately harm rural communities. That's why I introduced the *Timely Mail Delivery and Postal Services Protection Act*, which would have halted this planned consolidation across the country. Following these efforts, the USPS announced they have scrapped their plan entirely. While this is a win for Maine, it is also evidence that we cannot become complacent. That's why I recently introduced the bipartisan *Postmaster General Reform Act*, which would establish term limits for the United States Postal Service's (USPS) postmaster general and require nominations to be confirmed by the Senate.

Regardless of the year, one of my top priorities is ensuring I'm accessible to you. My staff and I can help navigate federal programs; find resources in Maine; and resolve issues with Medicare, Social Security, the VA, and other federal agencies and programs. We are here to help:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou, ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston, ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Suite 101, Bangor, ME 04401. Phone: (207) 249-7400

I wish you a healthy and prosperous year to come.

Respectfully,

Jared Golden

VETERANS' AFFAIRS

Dear Friends,

Each year comes with renewed hope – to celebrate each other’s successes and care for each other in times of need. I am thankful to each town in Maine for their commitment to their communities, to their citizens, and to this country. We always work together to get things done. This past year was no different.

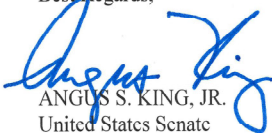

First, it was a true honor to be reelected to the United States Senate for another six-year term. Throughout my travels around the state, I heard many concerns about the cost of living and affordability of housing. Many of you also shared your concerns about access to medical and mental health services. The *Inflation Reduction Act* has been incredible for older people in Maine – Medicare is finally negotiating lower prices for prescription drugs, on top of the \$35 per month cap for insulin that took effect in 2023. We have an opportunity to build on what we have in common and do what Maine people do best; we will continue to help each other and lead through example.

I have also been consistently working to help our veterans. My team has repeatedly been successful in securing long-overdue recognition of military medals for many of Maine’s combat veterans and working to resolve issues with claims, travel pay, and access to healthcare and benefits our veterans earned through their selfless service to our country. I have also worked with my Veterans Affairs and Defense partners in Washington to successfully pass a national defense bill that strengthens our national security, takes care of our service members, and supports Maine businesses from Aroostook to York County.

I am also thankful to have such an incredible team across Maine available to you for hurdles you may face with the federal government. Whether it be veteran issues, social security problems, student loans, immigration, IRS and more, please never hesitate to reach out to my offices in Presque Isle, Bangor, Augusta, Portland, or Biddeford and allow us the chance to be part of your solutions.

Together, over the next six years, I know we can continue to build a stronger, brighter future for our great state. Thank you for being one of the reasons Maine is so special; it is not only a pleasure to serve you — it is a pleasure to know you. Mary and I wish you a happy and safe 2025.

Best Regards,

COMMITTEES:  
APPROPRIATIONS  
VICE CHAIR  
HEALTH, EDUCATION,  
LABOR, AND PENSIONS  
SELECT COMMITTEE  
ON INTELLIGENCE

Dear Friends:

It is an honor to represent Maine in the United States Senate, and I welcome this opportunity to share several key accomplishments for our state from the previous year.

As Vice Chair of the Appropriations Committee in 2024, I have secured nearly \$580 million for 230 projects across all of Maine's 16 counties to promote job creation, workforce training, and economic development; expand access to health care; support law enforcement; improve public education and infrastructure; and protect our environment. As the new Congress begins, I am honored to be taking the helm of the Committee, the first Mainer to do so in nearly a century, and I remain committed to ensuring that federal spending produces real results for our state and nation.

Maine has the oldest average age in the country, which is why I have long prioritized health-focused legislative efforts. There were more than 1,860 health care bills introduced during the 118th Congress. Only 15 health care bills were signed into law, and I was a lead sponsor of five of them. These bills will enhance care for individuals with Alzheimer's, autism, and substance abuse issues through improved research funding, strengthened public health programs, and increased support for rural first responders.

Another important bill that I coauthored was the *Social Security Fairness Act*. Since 2003, when I led the first-ever Senate hearing on the Windfall Elimination Provision and the Government Pension Offset, I have sought to end these provisions of the *Social Security Act* that unfairly reduce the Social Security benefits that public employees or their spouses have earned. I am pleased to say that with the passage of my bill, the *Social Security Fairness Act*, in December, public sector retirees will now receive the full Social Security benefits they have earned.

When the Maine way of life was under threat, I was certain to defend the interests of our state. I worked to protect Maine's potato farmers when the Department of Agriculture tried to reclassify the potato from a vegetable to a grain. I thwarted efforts to consolidate USPS mail operations at the Hampden postal facility, which would have disrupted mail delivery throughout our state. I sounded the alarm with leaders at the FBI and Departments of State and Treasury on the spate of illicit marijuana growing operations that are destroying properties and providing refuge to foreign criminals in our state. Following damage to our working waterfronts after last winter's storms, I secured \$15 million to help fishing communities recover. I championed funding to support the Maine Air National Guard base, Bath Iron Works, and Portsmouth Naval Shipyard.

As of last December, I have cast more than 9,100 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997. My ranking as the most bipartisan Senator reflects Maine's tradition of working with a spirit of cooperation and respect.

My highest priority as a Senator is to ensure that Maine's needs are met. If ever I can be of assistance to you, please contact one of my state offices or visit my website at [collins.senate.gov](http://collins.senate.gov).

Sincerely,

Susan M. Collins  
United States Senator

**Senator Russell Black**  
3 State House Station  
Augusta, ME 04333-0003  
(207) 287-1505

Dear Friends and Neighbors:

I am honored and humbled to continue serving as your State Senator for a fourth term. The trust you have placed in me is something I do not take lightly, and I remain committed to being a strong voice for you, your family, and our community in Augusta.

I am happy to continue my work on the Agriculture Conservation and Forestry Committee, I will continue to focus on ensuring accountability in key state programs, with a particular emphasis on the Office of Child and Family Services (OCFS).

The First Regular Session of the 132nd Maine State Legislature began on December 4, 2024, with our swearing-in ceremony led by Governor Janet Mills. It was a day filled with tradition, attended by family and friends of incoming members, as we set the stage for the work ahead.

Many of you have reached out to me about the challenges you are facing—rising costs of energy, housing, child care, and concerns about education, mental health, substance abuse, workforce development, and community safety. As your State Senator, I am committed to working with my colleagues to find common-sense solutions to these pressing issues.

In addition, addressing Maine's anticipated budget gap and setting priorities for the next biennium will be a significant focus this session. I am confident that through collaboration, we can work to balance fiscal responsibility with investments in the well-being of all Mainers.

Once again, I want to thank you for re-electing me to represent you in the State Senate. Please don't hesitate to reach out to me with any questions, comments, or concerns. I am here to help, whether it's navigating state programs or working to address issues important to you and our community.

Sincerely,

A handwritten signature in cursive script that reads "Russell Black".

Dear Friends and Neighbors,

I am deeply honored and humbled by the trust you have placed in me to represent you in the 132nd Legislature. Serving as your State Representative is a privilege, and I am committed to working hard on your behalf to address the challenges we face and to seize opportunities that can make a meaningful difference in our communities.

Our shared values and the strength of our communities inspire me every day. Whether it is advocating for education, ensuring access to quality healthcare, or supporting local businesses, I believe we can make progress together. I will continue to listen to your concerns and ideas, as they are the foundation of the work we do in Augusta.

As your Representative, I encourage you to stay connected and engaged with the work happening at the State House and to monitor all legislative proposals being worked on by visiting the Legislature's website at [www.legislature.maine.gov](http://www.legislature.maine.gov). Decisions made in Augusta affect our lives in countless ways, and your voice is vital in shaping the future of our district and our state. Please feel free to reach out to me with your questions, concerns, or suggestions. Whether you need assistance navigating state services or want to share your thoughts on upcoming legislation, I am here to help.

If you would like to be added to my email list to receive updates and important information on State programs and services, you can do so by emailing me directly with your request at [Robert.Nutting@legislature.maine.gov](mailto:Robert.Nutting@legislature.maine.gov).

Thank you for your confidence in me and for the opportunity to serve. Together, we can build a brighter future for our families and communities.

Warm regards,

## 2025 Annual Town Meeting Warrant

To, Dari Hurley, a resident of the Town of Mercer, in the County of Somerset, State of Maine,

### GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Mercer in said county and state, qualified to vote in town affairs, to meet at the **Mercer Community Center** in said Town on **Friday, the 28<sup>th</sup> day of February, 2025**, at Eleven o'clock in the forenoon then and there to act upon Article 1 and by secret ballot on Article 2 as set out below, the polling hours therefor to be from 11:00 a.m. until 7:00 p.m. and to reconvene on **Saturday, the 1<sup>st</sup> day of March, 2025**, at five thirty o'clock in the afternoon (**5:30 p.m.**) then and there to act upon Articles 3 through 37, said articles being the following:

**ARTICLE 1:** To elect a moderator by written ballot to preside at said meeting.

**ARTICLE 2:** To elect three (3) Selectpersons, Assessors, and Overseers of the Poor all for one-year terms; one (1) Director of MSAD #54 for a three-year term; one (1) Trustee of Shaw Library for a five-year term; two (2) Planning Board members for a three-year term; and two (2) Budget Committee members for a three-year term.

**ARTICLE 3:** Shall an ordinance entitled "Town of Mercer, Maine Solar Energy Systems Ordinance" be amended?

**ARTICLE 4:** To see if the Town will vote to authorize the Municipal Officers to spend any amount not to exceed 3/12<sup>th</sup> of the current annual budget during the period from January 1<sup>st</sup> of the following year to the date of that year's annual town meeting.

**ARTICLE 5:** To see if the Town will vote to charge and collect interest of 7.5% on all taxes assessed in 2025 that are unpaid 30 days after the date of commitment.

Select Board recommends 5%

Budget Committee recommends 7.5% vote 5-0

**ARTICLE 6:** To see if the Town will vote to set the date that property taxes shall become due and payable as August 15<sup>th</sup> annually or 30 calendar days from commitment, whichever date is greater.

The initial term of the three Municipal Officers will be as follows: 1<sup>st</sup> Selectperson 3-year term; 2<sup>nd</sup> Selectperson 2-year term; and 3<sup>rd</sup> Selectperson 1-year term. Annually thereafter, each position which is due to expire shall be elected for a 3-year term.

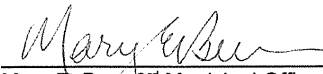

**ARTICLE 36:** To see if the Town will vote to authorize the municipal officers to **dispose of tax-acquired property** as they deem in the best interests of the Town, except that the municipal officers shall first use the sale process in 36 M.R.S. § 943-C if they choose to sell property to anyone other than the former owner. For sales to someone other than the former owner, excess sale proceeds, as defined in 36 M.R.S. § 943-C, shall be returned to the former owner.

**ARTICLE 37:** To see if the Town will vote to **accept and expend any or all donations received** from the public, any state, federal, or other governmental agency funds not explicitly allowable by state law, and all grants received in accordance with the intended purpose of the donation, grant or other funds as they are received.

Given under our hands this 23<sup>rd</sup> day of January, 2025.

  
Bruce E. Hurley, 1<sup>st</sup> Municipal Officer

  
Gary D. Moshé, 2<sup>nd</sup> Municipal Officer & Chairman

  
Mary E. Burr, 3<sup>rd</sup> Municipal Officer

## List of Continuing Articles

At past town meetings, voters have approved the following "continuing articles". *[printed for information purposes]*

### 1991 Annual Town Meeting

**ARTICLE 22:** Voted to authorize the Board of Selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon by sealed bid following public notice of sale of such real estate, and to issue quit claim deeds for same. The Selectmen shall first offer to sell to the previous owner for full payment of all delinquent taxes, fees, plus interests and costs. This authorization to continue from year to year until amended or revoked by Town Meeting.

**ARTICLE 39:** Voted to authorize the Selectmen to accept gifts on behalf of the town. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

### 1992 Annual Town Meeting

**ARTICLE 12:** Voted to authorize the selectmen to fill vacancies on non-elected boards and committees by appointment. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

**ARTICLE 36:** Voted to allow the Selectmen to authorize cutting in the Town Forest in accordance with the Town Forest Management Plan. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

### 2008 Annual Town Meeting

**ARTICLE 35:** The town voted to authorize the Municipal Officers to close East Sandy River Road for the winter from the transfer Station entrance to the snow plow turn around. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

**ARTICLE 44:** The Town voted to authorize the Municipal Officers to temporarily borrow money as needed to cover the Town's expenses until this year's tax revenues are received. Any such loan to be repaid in full within the year. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

**ARTICLE 45:** The Town voted to appropriate \$1,000.00 from surplus to pay the interest on the tax anticipation loan, if needed. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

**ARTICLE 48:** The Town voted to apply for a Maine State Archives Grant to assist with the preservation of the town's historical records, and to accept and appropriate such funds if received. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

**ARTICLE 50:** The Town voted to authorize the Municipal Officers to accept donations to be added to the principal of the scholarship funds. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

**ARTICLE 51:** The Town voted to appropriate all State refunds of registrations fees for the Mercer Bog Riders. This authorization to continue in effect from year to year until amended or revoked by Town Meeting.

**2011 Annual Town Meeting**

**ARTICLE 35:** The Town voted to authorize the selectmen to appoint one individual from the Town of Mercer to represent the town on the Skowhegan Cal Ripken Baseball Board of Directors. This to be a continuing article unless amended at a future town meeting.

**2020 Annual Town Meeting**

**ARTICLE 48:** The Town voted to authorize the tax collector or treasurer to accept prepayments of taxes not yet committed, pursuant to 36 MRSA § 506, the amount collected not to exceed the previous year's taxes. Interest on any prepayment will be zero percent.

**ARTICLE 49:** The Town voted to allow the Town Treasurer, after Municipal Officers approval, to file a waiver of automatic foreclosure at the Registry of Deeds, pursuant to 36 MRSA section 944, on real estate that may be burdensome on the town.

**ARTICLE 50:** The Town voted to prohibit a Municipal Officer from being an employee or an independent contractor for the Town of Mercer.

**ARTICLE 51:** The Town voted to ensure that work conducted on behalf of the Town of Mercer in excess of five hundred dollars (\$500) must have a written contract.

**2021 Annual Town Meeting**

**ARTICLE 43:** The Town voted to authorize the Select Board, on behalf of the Town, to take whatever actions are necessary for the Town to become a member of the Maine Municipal Association Property and Casualty Pool Program, including but not limited to the execution of any contract required for such membership and the payment of any required fees or charges. The authority granted herein shall be continued until revoked.

**ARTICLE 44:** The Town voted to authorize the Select Board, on behalf of the Town, to join with other participating municipal and quasi-municipal employers to group self-insure for the provision of workers' compensation benefits, as authorized by 39-A MRSA sec 03, said group to be known as the "Maine Municipal Association Workers' compensation Fund" (Fund); and for that purpose and in consideration of the mutual covenants and agreements among participating employers, to authorize the Select Board to enter into a Fund Indemnity Agreement on behalf of the Town and take whatever other actions may be necessary. The authority granted herein shall continue until revoked.

**ARTICLE 46:** The Town voted to implement a policy that any vendor, service provider, contractor or individual shall be accountable by an itemized invoice(s) or receipt of purchase prior to approval by the Municipal Officers and payment. The authority granted herein shall continue until amended or revoked.

**2022 Annual Town Meeting**

**ARTICLE 14:** To see if the Town will establish a non-lapsing "Legal Expenses Reserve Fund" to be used to pay for legal expenses incurred by the town; to raise and appropriate \$3000 to be deposited into the fund; and to provide the selectboard with continuing authority to spend from the account for the purposes stated above without further vote to the town meeting, this authority to remain in force from year to year until rescinded by the town meeting.

**ARTICLE 40:** To see if the Town will vote to authorize the Select Board to carry forward funds that have been obligated by the contract into a new fiscal year. The authority granted herein shall continue until amended or revoked.

**2024 Annual Town Meeting**

**ARTICLE 23:** To see if the Town will establish a non-lapsing Mercer Shaw Library Reserve Fund for the purpose of holding funds, including donations, for capital improvements and operating expenses, for the benefit of the Mercer Shaw Library and to appropriate to this fund all monies previously within the library's Special Revenue Fund \$12,074.16 that were transferred to the Town upon re-establishment of the library as a Town department in 2023; and to provide the selectboard with continuing authority to spend from the account for the purposes stated above without further vote of the town meeting, this authority to remain in force from year to year until rescinded by the town meeting.

Select Board recommends yes

Budget Committee recommends yes, vote 4-0-1

## 2024 Spirit of America Recipient is Mychael Bartholf

The Town of Mercer would like to recognize Mychael (Myke) Bartholf as the recipient of this year's Spirit of America Award. A Mercer resident, Myke has actively demonstrated his support for this small rural town and the running of our local government.

Myke is a longtime Mercer resident and former local business owner who loves to be engaged in the Town. He goes out of his way to help with brush cutting or using his tractor to clean up parts of the town and helping remove storm debris.

His continued support of the annual chicken barbecue by picking up and returning all bottles to help fund the event year after year without hesitation is greatly appreciated. Those revenues fund our event and allow us to put on a FREE barbecue for the taxpayers of Mercer.

Myke has also quietly supported the town financially. He purchased the bench at the boat landing at North Pond. Myke also partnered with the Town to purchase chicken pies to donate to residents age 70+ at Christmas time. His continued generosity for the people of Mercer is truly admirable. What a caring, giving man.

Myke certainly is community minded, attending Select Board meetings to keep informed with town matters and to help out where he can. His efforts often fly under the radar so it is good to recognize his work. Thank you, Myke for doing what you do in your subtle ways for beautiful Town of Mercer. We appreciate you!
